District at Uptown – Architectural Control CommitteeProperty Modification Approval Request Form

As each of us bought our property in District at Uptown, we agreed by our signatures to abide by the Declaration of Covenants, Conditions and Restrictions (a.k.a. CCRs or Deed Restrictions). The Deed Restrictions protect our property values by keeping the community a highly desirable place to live. ACC (Architectural Control Committee) approval must be obtained prior to the start of your project. To avoid delay, make your request as complete as possible and type or print legibly. Incomplete requests will be returned for additional information. Incorrect information or changes made after approval invalidates approval. The goal of the ACC is to assure that all changes to our properties conform to the appropriate Deed Restrictions. Thank you for your understanding and cooperation.
