Check the Status of your Application

RSA/Rule: RSA 482-A:3, XIV(a)(2)-(4)/ Env-Wt 312.05(d)-(f)

APPLICANT'S NAME: Granite State Landfill, LLC

TOWN NAME: Dalton-Bethlehem

SECTION 1 – APPLICABILITY

What kind of extension are you requesting/ agreeing to?

- A time extension for the review of a pending wetlands permit application. In other words, a time extension for an application for which a permit has not been issued or denied. Skip to section 2.
An extension of the expiration date of a wetlands permit. STOP! You cannot use this form, but you can use the Request for Extension of Wetlands or Shoreland Permit.

SECTION 2 – APPLICATION INFORMATION (Env-Wt 312.05(d))

NHDES file number: 2023-03259

SECTION 3 – REQUESTOR INFORMATION

Select the party requesting the extension:

- Applicant/ agent.
NHDES.

SECTION 4 – EXTENSION INFORMATION FROM NHDES (RSA 482-A:3, XIV(a)/ Env-Wt 312.05(d))

a. Reason(s) for the requested time extension:

This time extension request is required to respond to the Request for More Information (RFMI) dated June 24, 2024 and extended to January 22, 2025 to provide additional time to respond to the items in the RFMI.

b. If applicable, information that will be provided by the applicant if the time extension is signed by all parties (list all pending items requested by NHDES in a Request for More Information):

- The response to the RFMI shall include:
1. Avoidance and minimization
2. Compensatory mitigation
3. Address Application Package discrepancies
4. Revise Wetland Impact Depiction and Tabulation
5. Revise Permitting Plan Set
6. Address After-the-fact Jurisdictional Impacts
7. Clarify Wetland Impact Plans
8. Clarify Wetland Delineation
9. Provide legal ownership Documentation
10. Address comments from BCC and DCC
11. Address comments from LAC

c. If applicable, date by which the above-referenced information will be provided (PROVISION DATE):

March 24, 2025

SECTION 5 – REQUIRED SIGNATURE (RSA 482-A:3, XIV(a)(2) and Env-Wt 312.05(e))

By signing below, the applicant/ authorized agent and NHDES, by mutual agreement authorized under RSA 482-A:3, XIV, agree to extend the time for NHDES to render a decision on the Application until (check one):

30 calendar days following the above-listed PROVISION DATE, or 30 calendar days after the information requested in 4b, above, is received, whichever comes first.

The following date: RSA 482-A:3, XIV process

If applicable, please submit the information requested in the Request for More Information to NHDES as soon as practicable. Include the file number with your submission. The applicant or authorized agent is expected to provide copies of all required information to the municipal clerk and others, in accordance with applicable statutes and regulations.

If all the requested information is not received by NHDES by PROVISION DATE, the Application will be denied in accordance with RSA 482-A:3, XIV(a)(2). If additional time beyond this deadline extension is required to prepare your response, additional time extensions may be requested in accordance with RSA 482-A:3, XIV(a)(2) and Env-Wt 312.05(d).
