Subject: Re: Non-public Meeting to finish up Non-public business before vacation.tomorrow at 6

JoBeth,

In response to your email I stand corrected. In speaking with NHMA, I did find out that I was incorrect to call a non-public meeting. That non-public meetings should only be held at a Public Meeting by motion. Thank you for that. So, I am calling a Public meeting on Friday, August 9th, 2024 at 4pm. It does not matter why I did not call a Public meeting on the 5th, things come up.

So let this serve as ample notice of a Public meeting with you and Tom on Friday, August 9th at 4pm. Jeanette is being copied on this email. Whether she puts it on the town website or not, does not matter. It is not mandatory to do so, only the posting of 2 appropriate places. If the website exists or is accessible fine, but if not, then posting in the window of the Town office and some other appropriate place will do. What if there was an internet outage.....

For you not to read your emails in a timely fashion or to respond to phone calls does not constitute a lack of notice time. If after this notice you still wish not to attend that is fine, there will be a quorum. Check signing, if needed, can take place and any other brief updates on grants, etc., this will be a brief public meeting with no public comment as the Select Board does not have to allow public comments. As far as minute taking goes I'm sure that one of us can take minutes if Jeanette is unable to attend.

For agenda: check signing if needed, wood cuts, gravel etc. and the unsealing of the minutes of July 29th and the outcome of the search for new legal which I chose.

Just finishing up loose ends,
Eric Moore
Dalton Select Board Chairman

Subject: Re: Non-public Meeting to finish up Non-public business before vacation.tomorrow at 6

Eric,

I was not notified of this meeting until I saw your emails this morning. Scheduling of an additional Select Board meeting should respect all members of the Board and involve direct coordination with their schedules. Why did that not happen with this meeting?

If you wanted to meet again before your vacation, why did we not meet at the regularly scheduled meeting last night (Monday, 8/5/24)?

This meeting was not posted on the Town Website. All Select Board meetings must follow the usual posting requirements. Was this meeting posted? If so, when? and where?

What is the Agenda for this meeting? We don't have any pending non-public legal issues.

I confirmed with NHMA that the two "legal" issues you and Tom have insisted on discussing in Non-Public session (against my objection) are matters for discussion in Public Session. Neither of them warrants a special meeting. They can wait until you return from vacation. Alternatively, you can send information you may have gathered to the Select Board, for consideration at a future meeting.

It is important that we, as a Select Board, act according to the law, and that we are open and transparent. This proposed action goes against both of those principles. Violations to state statutes (such as RSA 91-A:3) and to our Select Board Rules of Procedure should not be allowed.

I respectfully ask that this meeting be cancelled.
