Subject: [External] Incident report 10/10-10/11 - verbal notification

Good Afternoon, Joe.

The Solid Waste Management Bureau is in receipt of the attached written incident report from NCES as required by Env-Sw 1005.09(c); however we have no record of receiving a verbal notification of the incident as required by Env-Sw 1005.09(b).

If the Permittee did make a phone call, please respond to let me know what number was called and the date/time of the call. If the permittee did not make a phone call, please respond to let me know why the required verbal notification was not made. In the meantime, we will review the written incident report and will follow up with any questions we may have.

Please respond as soon as practical. Thank you in advance.
Leah
