Thanks for the email, Cameron.

I spoke to LaKeenya this morning, I told her that the Landfill is not open on Sunday's and I needed to check with the site manager to see if someone could be there to meet her at 8 am on Sunday. I left him a VM and waiting for confirmation.

Good morning, Karen,

Thank you for your business.

We should handle the first inspection on Sunday, May 19th. (North Country Environmental)
And we will schedule the new waste stream for another day. I can have Lakeenya come right back out for the landfill in Coventry VT,

Cameron

Hi Cameron and Lakeenya,

We are in the process of preparing a discharge permit application for leachate generated at our Coventry, Vermont Landfill. This location is approximately 1 hour travel time from the NCES Landfill in Bethlehem, NH.

We can get the application submitted by end of day today, however the check for the application fee will not be cut until Tuesday, 5/21 and could be sent overnight mail.

Would you want to combine the travel to visit both locations on Tuesday, May 21st?

The requested facility related-documents and will send via email later today or Monday.

Thank you,
Karen
