 Concord, NH 03301-6509

**RE: North Country Environmental Services, Inc. (NCES)
 Bethlehem, New Hampshire
 Construction Approval Permit No. DES- SW-89-009
 Stage II - Phase I Construction**

Dear Mr. Hopkins:

As required by Env-Wm 310.07(b)(5), this letter and enclosures provide information as to the status of the above referenced project.

Site Specific

The new swale and detention basins #1 and #3 have been completed. See Sanborn, Head and Associates, Inc. Construction Summaries period ending September 22, 1995 and October 6, 1995, for more detailed information.

Stage II - Phase I

Initial Excavation - Completed

Final Grading - Completed

Liner Installation - Placement of the secondary liner began on October 12, 1995. It is currently anticipated that it will take up to 4 weeks to complete the liner installation.

Leachate Collection - The secondary leachate collection piping will be installed within the next 1 1/2 weeks. We are still awaiting delivery of pumps, controls and tank.

Mr. Kevin Hopkins
