## Open Letter - Donald A. Sharp

Apr 4, 2021

### *Open Letter*

#### **To the Editor:**

Dear New Hampshire House Representatives:

I am a year-round resident of Forest Lake in Dalton, NH. For 37 years I have enjoyed the peace and tranquility that will most likely end if Casella is allowed to build their landfill. The location of the landfill is approximately 1/2 mile from my residence and property line.

In my opinion, this is the catastrophic end of Forest Lake for myself, my neighbors, and all of the people who share lifetime enjoyment of Forest Lake State Park. It is quite obvious that we will experience water pollution, bugs, odor, seagulls, etc. ALL of the residents of Forest Lake are hoping that you see and hear our plea for your help by supporting and voting for HB177, a most

important piece of legislation, on April 9th.

Thank You For Your Time,

Donald A. Sharp

Dalton, N. H.
