evening I was informed that Jon Swan had posted the video of me onto youtube on his page called "Save Forest Lake" after Jon posts these videos online, he also puts them on his Facebook (PAGES anywhere from 10-40 and they are all different names & organizations etc. He also created & impersonates being state officials; and falsely claims he runs "Forest Lake State Park" where he uses his cell phone & the park's mailing address and his wife's Select Board email for people. this page is used to tell the public (as well as all his others, I.e. town of Dalton) to try and get me off of the Conservation Commission

In which he finally succeeded I have attached a copy of text between Jon & myself from last July 27<sup>th</sup>. Where I asked him politely to take all of the posts/videos/comments etc of me down from all internet sites/pages Jon then tried bribing myself to resign from the commission & he would. Jon has not only continuously cyber bullied and stalked me, but has asked everyone who sees his posts to follow his lead. Jon posted pictures of my mailbox, & anyway numerous times telling all surrounding towns to go to my residents & take pictures, and go looking around my & my boyfriend's land/residence & take pictures. Jon also has made Facebook Posts to tell people in NH & VT TO NOT PURCHASE ANY MATERIAL from our company, Chick's sand & Gravel. This is a direct sabotage to the company, to us, and our kids we have lost thousands of Dollars from this post! Jon flies drones over the house I live in, while taking a video copy of the house, cars, land, people/kids and myself, and puts it on youtube and directs people to watch it to come to our house and to harass us all & we have had numerous people

come and drive all over the land, and when we ask them to leave they say that Jon Swan told them to come and they don't have to leave because they didn't see a private property sign. My children are bullied at school I fear for all of our lives with everything he's doing to us. Jon stated to me he's at battle with us because there is a proposed landfill for our land and he won't stop until he has won. Jon takes signs off of our land and puts signs on it. I've called the state police in Bethlehem to have him removed.
