

THE STATE OF NEW HAMPSHIRE

MERRIMACK, SS.

SUPERIOR COURT

Casella Waste Systems, Inc.

v.

Docket #217-2020-CV-212

Jon Swan f/k/a Jon Alvarez, Forest Lake Association,
Save Forest Lake, Doe Defendants 1-20

ASSENTED-TO MOTION FOR VOLUNTARY NONSUIT WITHOUT PREJUDICE
(AS TO DEFENDANT FOREST LAKE ASSOCIATION)

Plaintiff, Casella Waste Systems, Inc., moves the court to enter a voluntary nonsuit without prejudice, with the parties bearing their own costs and fees, on its claims against defendant Forest Lake Association (“FLA”) because as an unincorporated association it is not a jural entity. Casella expressly maintains, reserves, and does not nonsuit its claims against those individuals who are designated as Doe Defendants in the complaint and whose names may be substituted for those of Doe Defendants if and when their identities and roles in the conduct described in the complaint become known to Casella through investigation and discovery.

Defendants assent to the relief sought by this motion.

Respectfully submitted,

CASELLA WASTE SYSTEMS, INC.
