Dear Mr. Tilley,

The Granite State Landfill project team is interested in moving forward with a pre-filing 401 meeting as discussed in the email thread below. We are hoping to book the meeting for the end of September, tentatively the 25th or 26th, depending on everyone's schedules. I will be out of the office Sept 27-Oct 6, so those dates are out for me but if you have preferred dates for the end of September timeframe please let us know. After I hear back from you we can set up a doodle poll, if needed, to settle on a date and time. Thanks and I look forward to hearing from you.

Regards,

-Joel

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

Good afternoon, Mr. Gay,

Thank you for contacting the New Hampshire Department of Environmental Services (NHDES) to request a pre-filing meeting, as required under [40 CFR §121.4](#), ahead of submitting a certification request for an individual permit that would be required from the U.S. Army Corps of Engineers (USACE) for Granite State Landfill, LLC's (GSL) proposed development of a landfill facility in Dalton, New Hampshire. NHDES wants GSL to hold such a meeting.

NHDES requests that you invite the following NHDES staff to a pre-filing meeting:

1. James Tilley (me), NHDES Water Quality Certification Supervisor (james.tilley@des.nh.gov, 603-271-0699);
2. Judith E. Sears Houston, P.E., Supervisor of the NHDES Water Quality Planning Section (judith.e.houston@des.nh.gov, 603-271-2983);
3. Erin Holmes, P.E., NHDES Watershed Management Bureau Administrator (erin.l.holmes@des.nh.gov, 603-271-3289); and
4. Phil Trowbridge, P.E., Manager of the NHDES Land Resources Management Program (philip.r.trowbridge@des.nh.gov, 603-271-4898).

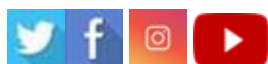

Earlier today, I sent an email to USACE asking USACE to identify its point of contact for the proposed landfill facility. If USACE responds with its point of contact, I will send that information to you.

Please be aware that I will be out of the office from July 3, 2023, to July 7, 2023, and will return to the office on July 10, 2023. If you need assistance from NHDES with scheduling a meeting while I am out of the office, please contact my supervisor, Judy Sears Houston at judith.e.houston@des.nh.gov or 603-271-2983.

Regards,

James Tilley
