[Draft Agenda - Pre-Filing Meeting - Certification Request - Granite State Landfill.docx](#)

---

Good evening, Joel.

Ahead of next Monday's meeting at NHDES from 9:30am to noon, I am providing you with the attached, draft agenda for the meeting so that you and other GSL representatives are aware of the general items that NHDES staff would like to cover during the meeting.

If GSL would like to add items to the agenda, please let me know by noon this Friday, September 22. Before next week's meeting, I plan to email a final agenda to the group.

At the meeting, I plan to provide attendees with hardcopies of a final agenda. Note that the electronic version of the draft agenda contains hyperlinks to websites with information relevant to water quality certification process; I do **not** plan to provide attendees with hardcopies of that information at the meeting.

Regards,

### James Tilley
