Dear Attorney Gould:

I am in receipt of your letter dated December 10, 2021, notifying the Department of Environmental Services that Granite State Landfill has withdrawn its pending wetlands permit application and plans to file a new application at a later date.

In the letter, you requested confirmation that the October 26, 2021 extension agreement between GSL and NHDES is mooted by withdrawal of the pending application. This letter serves as such confirmation.

Sincerely,

Pamela G. Monroe
