Re: 91-A Request, Proposed Rule Changes
March 9, 2023

Dear Ms. Colby:

I am writing to request a copy of all government records relative to NHDES, the public input session of March 13, 2023, and the proposed changes to the New Hampshire Code of Administrative Rules for Solid Waste Management. If there are any fees for searching or copying these records, please inform me if the cost will exceed \$100. I would prefer these records be in digital format, in order to avoid the generation of paper copies. I can provide compensation for external hard drives if that would assist in this request for digital copies.

The New Hampshire Right to Know Law requires a response time of five business days. If access to the records I am requesting will take longer than this amount of time, please contact me at SaveForestLake@yahoo.com or (603) 991-2078 with information about when I might expect copies or the ability to inspect the requested records.

As per RSA 91-A:4 IV(c), if you deny any portion of this request, please cite the specific exemption used to justify the denial to make each record, or part thereof, available for inspection along with a brief explanation of how the exemption applies to the information withheld.

Sincerely,

Jon Swan
