RE: Withdrawal of Wetlands Permit Application  
NHDES File Number: 2023-03259  
Granite State Landfill, LLC (the "Project")

Dear Ms. Berger:

On behalf of Granite State Landfill, LLC, a wholly owned subsidiary of Casella Waste Systems, Inc. (the "Applicant"), I am writing to formally notify the New Hampshire Department of Environmental Services ("NHDES") that the Applicant by this letter hereby withdraws the above-referenced wetlands permit application.

The Applicant reserves all rights with respect to the Project, including the right to resubmit the application at a later date, as appropriate, in coordination with federal, state, and local approvals with respect to the Project.

The Applicant appreciates the time and attention provided by NHDES to date and looks forward to continued coordination in connection with any future submission.

Please do not hesitate to contact me should you have any questions.

Very truly yours,

*Toni M. King*
