Dear Sponsor:

The Baltimore Football Academy Inc is a hybrid youth mentorship / competitive youth football and cheerleading organization for children 5 through 14 years old. Our program was created after discovering the need for a 365 day a year mentorship program for at risk youth in Baltimore. The organization is a non-profit and the board of directors, mentors and coaches are all volunteers. The youth mentorship program is designed to help youth with life skills, coping skills, and leadership. The football program uses the principles of football to teach valuable team building, community, leadership and self-discipline skills while providing physical fitness. Our final component to our program is our tutors who assist and track the academic progress of each child. We value the program because at the core our goal is to prepare our young people for life and high school. The Baltimore Football Academy Inc. Wolfpack compete in statewide gameplay against other youth football programs through the Maryland Youth Football Alliance (MYFA). Our program relies on sponsorships, donations and grants to maintain a successful program. **Please visit our website for more details at www.BFAWolfpack.com*

If you are willing to partner with us to help us change the lives of Baltimore youth who deserve more than just to be a statistic, we welcome the support. Your sponsorship will be helping us purchase much needed equipment, assist in our travel and provide for the other academic and mentorship needs. Not only will you be you helping our program, we will make every available effort to market and promote your business/organization at our games, events, our social media platforms, our website and more.

If you are ready to help, please contact Matthew E. Bradby at 443-682-4575. Your sponsorship is tax deductible. Thank you for your time and we sincerely appreciate your support of our coaches, volunteers, our young people and their success on the field and in life.
