

Tasting Notes by Corks and Screw Caps

"508" Provencal Rose 2022

ABV: 12.5%

Color: Pale, medium salmon.

Aroma: Medium aromas of fresh strawberries.

Palate: Medium flavors of fresh strawberries, with medium bright acidity. Refreshing finish with moderate palate cleansing acidity, and a medium level of lingering flavors of fresh strawberries and lemons.

Food: Perfect hot weather wine. Drink on a hot summer's day as a refreshing beverage on its own. Very versatile wine. Great with lightly seasoned fish, or chicken breast. Asian food that isn't spicy or fried, (like Kung Pao chicken, which is spicy AND fried). Very good with green salads, including Caesar salad, Cobb salad, etc.

Value: The cost is \$13.99, which is an appropriate price for this wine. Good, well-balanced, refreshing, pleasant wine and a classic representation of Provencal rose.
