# *Light in the Beartooths*

MESSIAH LUTHERAN NEWS

Pastor Ben Cherland

There is sunshine in my soul today,  
More glorious and bright  
Than glows in any earthly sky,  
For Jesus is my light.  
O there's sunshine, blessed sunshine,  
While the peaceful, happy moments roll;  
When Jesus shows His smiling face  
There is sunshine in my soul.

June, 2025

Dear Messiah,

I've been home this week in Regina, Saskatchewan with my family. It's more time my ailing father. We are here in the house I grew up in and part of my time has been spent doing little repair projects. A bathroom door that I have never known to close completely needed its hardware adjusted. Now it not only closes but locks. This is a big thing for the number of guests who come and go to see Dad and support of my mother, as she walks him these last miles.

I spent last night outside our garage working on a window. This window faces the kitchen where Mom looks out and sees its peeling, faded paint. For Mom's sake, I put my mind to giving it a good scrape and fresh paint. I hope this will raise her spirits this summer and fall.

Saskatchewan evening light is different from every other place I've lived. It sets much later - this time of year, after 9:30. The days are long and the trees, plants and lawns in my neighborhood seem to rush into bloom in an urgent, desperate desire for the long sunlight and life, as short as it is.

As I worked on that window, taping the glass along its edges, I was aware of the yard - raspberry shoots taller than me all over, hanging baskets of flowers, a swing near the alley under a crab apple tree, and tall, tall trees dappling the fading sunlight - and I started thinking about Place.

We are shaped by many things in life—perhaps most by relationships, experiences and learnings. Are we not also shaped by place? The smells, feelings, sounds and familiarity of this place recall my childhood - a childhood that shaped who I have become. As with all places, over time it needs care. Attending to its ailing parts, I've called on what this and other places have given me to care for this place and the people here.

As it does often, my mind returns to you, Messiah. We have had a short history in our new place, but the individual histories brought here have something to share. What places have shaped you? How is this place shaping you, whether you've been here for years or months? Where and what are the ailing parts you see - not yet parts of the building I hope, but parts of our life in community that make this a place of yours? What have other places given you that you can use here in the service of others?

Whatever place we find ourselves in life—high up on mountaintops, in the darkest deeps of valleys, or anywhere in between—Jesus follows us there and is there to be found. For he is risen - not far away but here, blessing you, shaping you and calling you forth to this place now and every other place you'll go.

This includes of course the places we find ourselves in life; the kind of places that aren't where we find our feet, but where our spirits are taken by all that life can bring—sickness, worry, sadness and more. But even as Christ is there, Christ calls us to each other. Christ is risen, but in all the seasons post-resurrection, Christ seeks also to rise in us, taking flesh again in our hands, hearts, and feet, for the sake of those in this place and all others.

## Looking Forward to the Allen Hansen Memorial Bike Ride

The **Allen Hansen Memorial Ride** is co-chaired by Suzi Hansen and Pastor Melissa Johansen. It is a fundraiser for the Hungerfund of the Montana Synod. The bike ride is scheduled for **June 14th starting at 6 am at Messiah Lutheran Church** in Red Lodge and ending at Our Savior's Lutheran Church in Laurel. To donate and support these riders go to [venturemiles.org](https://venturemiles.org), do a search with the words *Dough for Daily Bread*, and scroll down to the bottom of the page to find the link for the event.

Some of the riders might arrive Friday and spend the night at our Church. We need to prepare a meal (supper) for those riders who will spend the night at our Church and offer a light breakfast prior to the start of the Allen Hansen Memorial Ride. Suzi would gladly help with the organization of these meals.

**June, 2025**

Dear Family and Friends,

All around the Montana Synod more and more people are experiencing hunger. Churches are responding to the hunger needs in their communities in a variety of ways from food pantries to community meals to community gardens. With ever increasing demand, congregations need financial support to address hunger and its root causes. The Montana Synod Hunger Fund provides grants to congregations working locally to end hunger.

In 2024 and 2025, the Montana Synod Hunger Fund awarded \$28,768 in grants to 17 ministries addressing hunger in their local communities. In order to ensure the continued financial support for this vital work to end hunger, a series of bike rides, walks, and runs are being held this summer to raise funds for the Montana Synod Hunger Fund.

My Son, Patrick and I will be riding tandem, biking from my church, Messiah Lutheran, in Red Lodge to Our Saviors Lutheran Church in Laurel on June 14, 2025, The Allen Hansen Memorial Bike Ride. About a 48-mile ride, although we will add a few miles by continuing to the Yellowstone National Cemetery where Allen was laid to rest last August. Allen was a dedicated LPA(Lay Pastor Associate) and had the opportunity to lead worship at Our Saviors every 4th Sunday. as well as at Messiah Lutheran and other surrounding Lutheran Churches.

I have already given a donation and I hope you will join me by donating to the Montana Synod Hunger Fund! I hope to raise \$ 1,000.00 through my fundraising efforts. Addressing hunger is something both Allen and I have cared deeply about within Carbon County and the communities across the Montana Synod.

You can make a donation by contacting Suzi (774-273-1463) or Dianne Milleson (406-425-3222).

Thank you for your support!!

Peace, Salam, Shalom,

Suzi Hansen

## In the Presence of A Miracle

By Jim Johnson

Have you seen those blankets made  
By women who are wise, some young, some gray?  
Have you wondered why they save those scraps of cloth  
To make a quilt to give away?

Or have you seen their needles soar  
In patchwork skies of denim, wool, velour?  
Have you seen the yarn that's tied to keep the kids alive  
And snuggled safe and warm?

Then you've seen the hand of God,  
As subtle as a stitch in time,  
Gently sewing hope in the lives of the loved  
And making them secure  
In the presence of a miracle.

Water falls and words cascade.  
Common stuff, they touch us every day.  
But when God's little work is done  
A miracle's begun that keeps us day by day by day.

Then you've seen the hand of God  
Dripping wet, yet strong and sure.  
Gently pouring grace o'er the hearts of the loved  
And calling them to stand  
In the presence of a miracle.

Have you seen love face to face?  
Been captured by her gaze as she looked down?  
Have you felt that touch of grace that lets two hearts  
Embrace to re-emerge as one?

Then you've known a gift of God  
As gentle as a mystery.  
Softly building love in the lives of the loved ones  
And making them secure  
In the presence of a miracle.

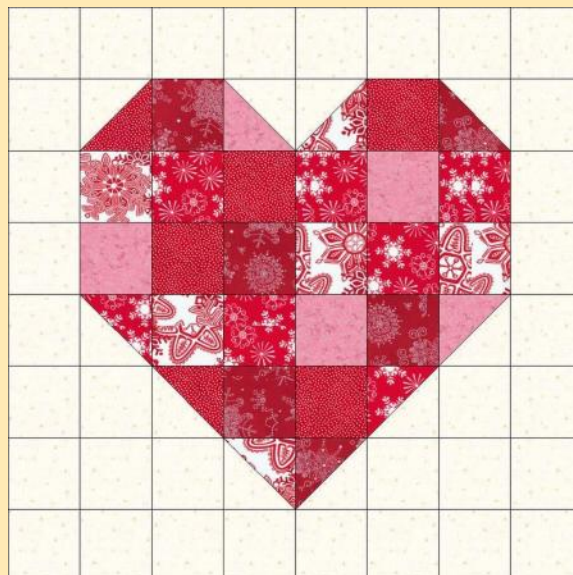

Now I'm wondering about those eyes  
That never see the miracles around.  
Could it be that what we see is not reality  
But how it is with you or me?

Would you see the work of God?  
It's present in the lives that love has changed.  
See it bringing love from the lives of the loved  
And calling them to stand  
In the presence of a miracle.

A miracle?

A miracle!

Yeah!

# GREAT FUTURES, GREAT NEWS

SPRING 2025

## A Partnership for Greater Impact!

For over 30 years, the Boys & Girls Club of Carbon County has pursued our mission to enable all young people, *especially those who need us most*, to realize their full potential as productive, caring, responsible citizens. As part of that pursuit, and on behalf of the Board of Directors, I am pleased to announce a new partnership with the Boys & Girls Clubs of Yellowstone County. On October 21<sup>st</sup>, 2024, we signed a management agreement that will give our Club direct access, while maintaining local control, to a wealth of knowledge and expertise that will reduce the administrative costs for the Boys & Girls Club of Carbon County while investing more in our local staff professionals and the daily member experience they provide.

It has only been a few months, but I am excited about the strides this new partnership has helped make for the Club and the daily experience we provide for our members. The following are some of the improvements we have already been able to make.

- Improved afternoon snacks at the Club, and our weekly In the Bag food deliveries.
- Staff training to improve the quality and quantity of our Club programs and activities.
- Improvements to our safety practices and completing some facility maintenance.
- Streamlined administrative and accounting procedures to reduce costs.
- Implement new practices to improve our engagement with our incredible donors.
- Additional training and development for our local Board Members.
- New collaborations with other local non-profit organizations.

Dick Fellows, Board Chair

I am very pleased with our partnership with the Boys & Girls Clubs of Yellowstone County, and the next steps their team will help us take as we strive to better serve our Club members while reducing the administrative burden on our team! We are fortunate to have a great neighbor in the Yellowstone County Clubs, and I look forward to continuing the discussion about how we can establish a long-term partnership that will best serve all the children and teens in both our communities.
