

**CIVILIAN
LASSEN COUNTY
OVERSIGHT COMMITTEE**

2025 REPORT

APRIL - JUNE

Released 7/15/25

VOLUME 3

CrimeGraphics.com

CLCSOC has copies of the “Media Bulletin” data from April 1, 2025 to June 30, 2025 **and will continue to monitor this data.**

The data, in this report, has been collected from public documents and shows public crime records have been altered and deleted.

The Lassen County Sheriff’s **CrimeGraphics.com** “Media Bulletin” was never meant to be an honest account, to the public, of crime in Lassen County, **just a deception.**

CrimeGraphics.com deletes up to 73% of the crimes in Lassen County

This is to create the “illusion” or perception that there is little to no crime in Lassen County

This is a **disservice to all law enforcement officers** who put their lives on the line 24/7.

This is a **disservice to the public** who think they are SAFE.

The following data will verify this deception and show that the Lassen County Sheriff & County Board of Supervisors are unwilling to tell the truth.
