This report shall not be reproduced except in full, without the written approval of the lab. This report is for informational purposes only and should not be used to plagnose, treat or prevent any disease. Results are only for samples and batches indicated. Results are reported on an 'as received' back, indicated on therwise, when a das/real status is reported, that status is intended to be in accordance with redeard, state and local lows which are required for the customer to be in compliance. The measurement of uncertainty is own included in the Pass/real issues. Results used. Results are reported on uncertainty is own included on the results of uncertainty is own included on the results.
