About Super Clean Mallorca Founded on the principle that excellence should never be inconvenient, Super Clean Mallorca is the island's premier mobile detailing service. We don't just wash cars; we restore and protect them using the finest techniques and professional-grade products.

Our Mission To provide Mallorca's most discerning drivers with a bespoke, door-to-door car care experience. We believe in meticulous attention to detail, total reliability, and a result that speaks for itself—giving you back your time and your vehicle's showroom shine.

Frequently Asked Questions (FAQ)

Do you need access to water or electricity? We are generally self-sufficient. However, for maximum efficiency or intensive services (such as machine polishing), access to a standard power outlet is beneficial. If there is no water access on-site, please let us know in advance so we can prepare accordingly.

How and when do I pay? Payment is made on the day of the service, immediately upon completion of the work. For your convenience, we accept the following payment methods on-site:

Cash

Credit or Debit Card (via our mobile card terminal)

Do I need to be present during the service? Not necessarily. Once we have access to the vehicle, you can carry on with your day. We will notify you as soon as we are finished so you can inspect the final result.

What happens in case of bad weather? To guarantee a flawless finish, certain services (especially polishing and ceramic coatings) cannot be performed outdoors in heavy rain or high winds. In such cases, we will offer a flexible reschedule or work in your garage or carport if available.

What preparations should I make? Please remove all personal belongings and valuables from the interior of your vehicle. This allows us to perform a thorough and efficient deep clean of all areas without delay.

Do you cover the whole island? Yes, we provide mobile service throughout Mallorca. Depending on the location, a small travel fee may apply—we will always inform you of this transparently when you inquire.
