

M&M Boat Services, LLC Vessel Concierge Service

M&M Boat Services, LLC provides a **Concierge Service** including owners pre-arrival preparation and post-departure clean-up and close-up. This service is especially appealing to owner's that do not live locally, or the busy professionals that do not have time to get the boat ready for a trip or close it up upon return.

M&M Boat Services, LLC works closely with Owners, Brokers, and Marina's or Yacht Clubs to provide the below services to meet your needs:

- **Pre-Arrival Vessel Prep;** minimum service to ensure vessel is safe and ready to go:
 - ◇ On vessel visual check for any potential problems,
 - ◇ Ensure shore power, charger & AC's are on,
 - ◇ Start main engines to ensure they are ready,
 - ◇ Contact owner with any potential problems and status.

- **Post-Visit Vessel Close-Up;** minimum service securing vessel upon owner's departure:
 - ◇ Ensure battery charger & AC's are on,
 - ◇ Basic exterior wash down of vessel,
 - ◇ Check and adjust lines & fenders,
 - ◇ Visual check of vessel for any potential problems,
 - ◇ Contact owner with close up report/vessel status.

- **Additional Services** - other items can be completed before, during or after owner visit:
 - ◇ Bottom cleaning
 - ◇ Stock boat with food/beverage.
 - ◇ Pre-arrival wash down.
 - ◇ Bilge & alarm checks
 - ◇ Interior cleaning
 - ◇ Vessel waxing
 - ◇ Electronics function check
 - ◇ Engine service
 - ◇ Generator run/check
 - ◇ Check/clean AC salt water strainer

The above listed services are not all inclusive list but represents common items an owner may want before, or after, their visit to the boat.

M&M Boat Services, LLC offers programs to regularly check on a vessel for the owner; refit & project management, vessel management services, and a full range of additional services giving the owner the ability to only make one phone call to get anything done on their boat they need (no need to keep a whole list of, and keep track of, different vendors).
