

## *M&M Boat Services, LLC* Yacht & Boat Management Services

*M&M Boat Services, LLC* provides vessel *Management Services* specializing in boats under 100' (30m). Our *Yacht Management* program is specially designed for vessels in this size range because their needs are different. In general, vessels under 100' do not have a full time crew, there are fewer and less complicated financial, technical, and regulatory requirements, and/or they are not normally operated commercially.

Simply put, the needs of these owners are not as great, or complicated; BUT, they still need assistance managing aspects of the vessel, just not a large full time dedicated Management Team.

Flexibility is key, and for vessels under 100' (30m) M&M Boat Services, LLC has developed a

- **A *Yacht Management Plan* for vessels under 100' may include:**
  - ◇ Visits to the boat for condition checks and to ensure it is secure
  - ◇ Completion of specific maintenance items, and safety & systems checks \*\*
