

Scammer Takedown – Fake FedEx

Scam Overview:

This scam started with a text that a FedEx package could not be delivered. The link from the text took you to the site: address-fedex.com. This fake site impersonated a real FedEx site with the intent to capture your credit card number. We had the site taken down by the end of the day after getting the text.

This was the original text

This is what the site “looked” like.

This is what happens when you try to go to the site now...
