## WICKED ROMANCE, MAGIC & INTRIGUE ENTWINED

### MEDIA KIT 2025

Award-winning Brisbane author, HM Hodgson, writes about romance (spicy scenes a must!) intrigue and magic. Magic that moves worlds and takes her to another place.

When not writing, reading, or dreaming of her next literary hero, you can find her watching action movie reruns, sipping hot coffee and eating mint chocolate.

And by the way, Die Hard is absolutely a romance!
