*Information contained in the chart is for basic comparison. Please contact us for full package descriptions, explanations and greater detail/definition of each package component.					
**This is the number of images available for the client(s) to view in their image gallery. Print and download credits may be used towards any images in the gallery, and add-on purchases are always an option. Please note, the minimum number listed is very conservative and a generally low estimate--often several more are available.					
***Additional travel fees may apply for distances further than 20 miles from the studio address. Please see full package description for more information.
