BANNERS

All banners are custom designed, incorporating a high-resolution, professional image of the athlete and personal/school/team information. Banners are printed on outdoor, weather-resistant materials and include grommets on the corners for hanging; we recommend using heavy-duty zip ties (not included) for hanging outdoors for extended periods of time. Each banner purchase also includes a free digital download of the completed banner image at a web-size, low resolution for optimal sharing on socials.

Please note, the athlete/family or team representative is responsible for having a high resolution school or team logo emailed to the studio for use on the banner (does not apply to Chatham Glenwood athletes as one is already on file). For team banners, the same applies for any sponsor logos.

Banner purchase only, in-studio photo session:

- 2' x 3' Individual banner, single image \$75 each
- 2' x 3' Individual banner, 2 images stacked, \$85 each
- 3' x 6' Individual banner, single image \$100 each
