We have hired the new gallery space at the Beecroft Gallery in Southend for an exhibition of work by the **members of the Colchester Art Society** that will include some work from our Permanent Collection. There will be scope for some 60 works of art including 3D which will be displayed in Southend from the 7th September to 2nd November 2019. This exhibition will be chosen from the **member's work that is selected to hang in the 2019 Summer Exhibition**. The selectors for this exhibition will include our President Simon Carter and Kevin Marsh, the Curator from the Beecroft. With the agreement of the artists, the selected work will be securely stored at The Minorities Galleries, by kind permission of Max Fox, between the end of the Summer Show and the start of the exhibition in Southend. The work will be returned to Colchester after the exhibition and you will be notified of the collection details.
