ELECTRICITY

with

MARLEY & Leo

Clemente Capdevila

Who is Marley

Marley is an electrical dog.

**Marley works with
electricians everyday.**

Marley loves her job.

Lets meet Leo

Leo wants to learn about electricity.

Leo would like to be an electrical cat one day too.

**Leo likes
to sleep on
the couch
and eat
chocolate
when mum
is not
looking.**

Marley's revision

**Leo doesn't know Electron
the Happy Worker and
Electron the Silent Killer.**

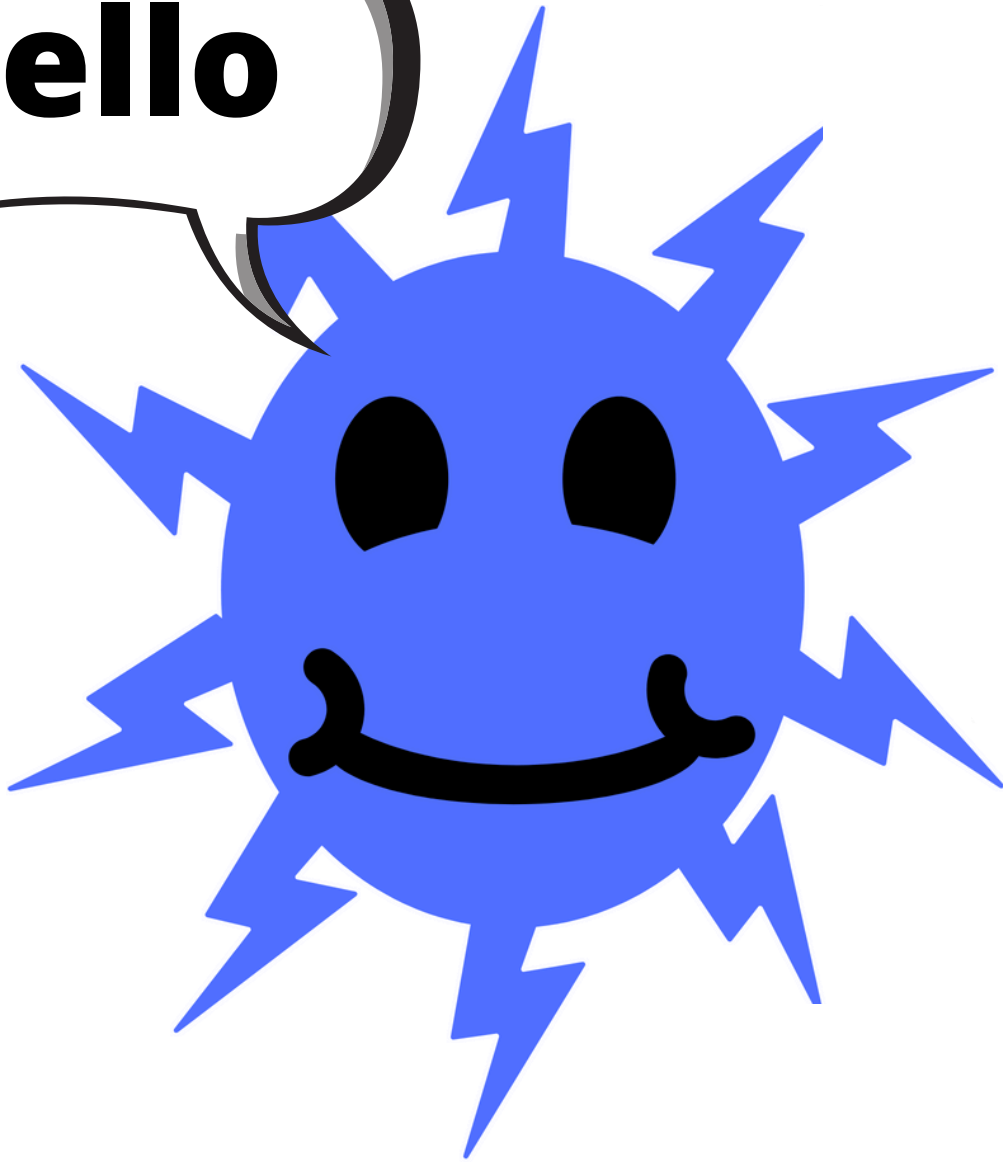

Lets show Leo quickly.

**Thank
You**

Meet Electron the Happy Worker

Hello

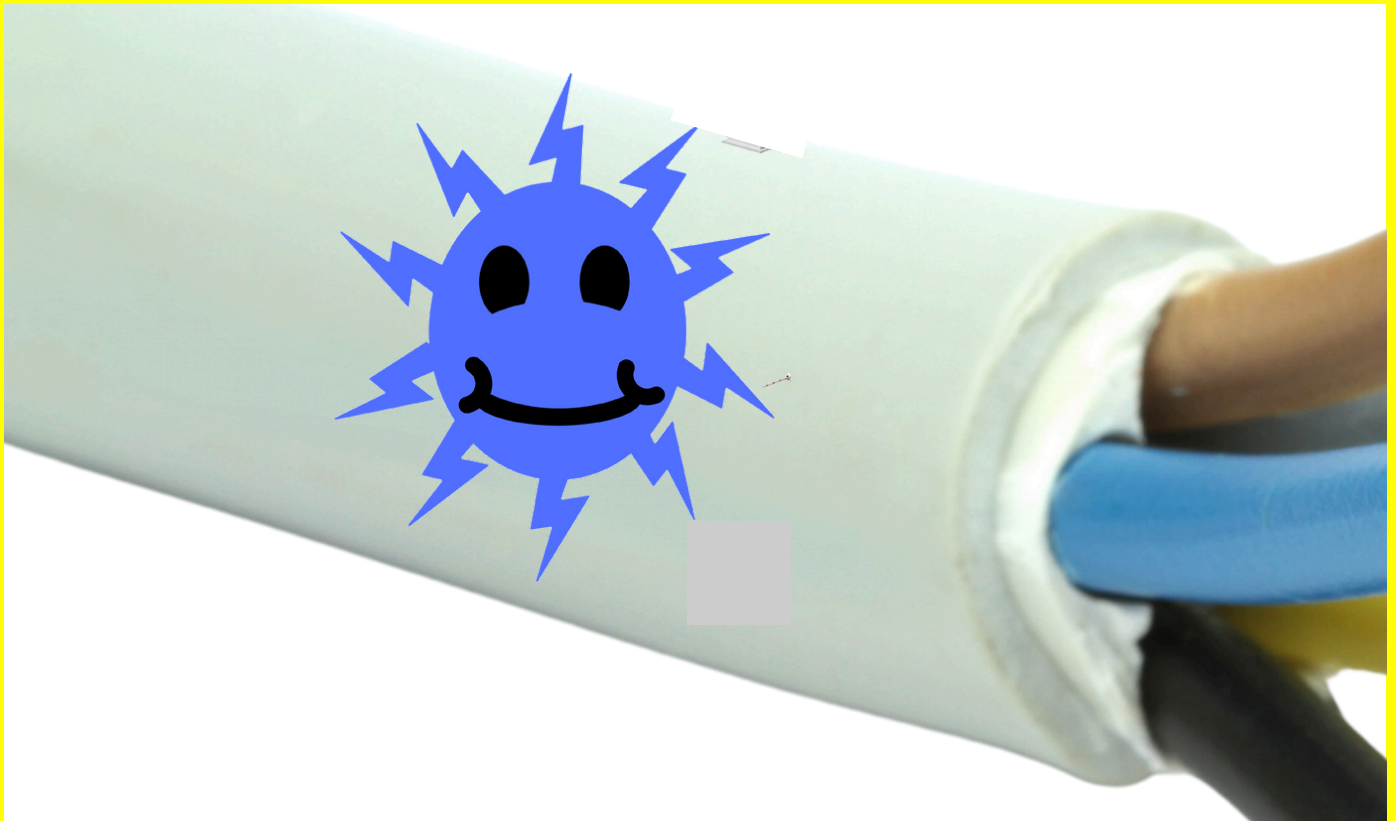

**Electron the Happy Worker
carries electricity from one
place to another.**

What does Electron the Happy Worker do

**Electron the Happy Worker
carries electricity to power
lots of things.**

Where does Electron the Happy Worker live

**Electron the Happy Worker
lives and hides inside cables
keeping away from people.**

**Electron the Happy Worker
does not like to be touched.**

What happens to Electron the Happy Worker if touched

When Electron the Happy Worker is touched by a person it changes.

Electron the Happy Worker turns into Electron the Silent Killer with BIG SCARY shark teeth.

Are you ready to meet Electron the Silent Killer?

**Is the grown
up scared?**

Meet Electron the Silent Killer

**DONT
TOUCH ME**

**Electron the Silent Killer
carries electricity from one
place to a persons body.**

How does Electron the Silent Killer hurt people

**Electron the Silent
Killer has**

NO SOUND

How does Electron the Silent Killer hurt people

**Electron the Silent
Killer has**

NO SMELL

How does Electron the Silent Killer hurt people

**Electron the Silent
Killer has**

NO COLOR

Why does Electron the Silent Killer hurt people

**Electron the Silent
Killer has NO BRAIN.**

**Electron the Silent
Killer cannot tell the
difference between a
cable and a person.**

Marley teaches Leo

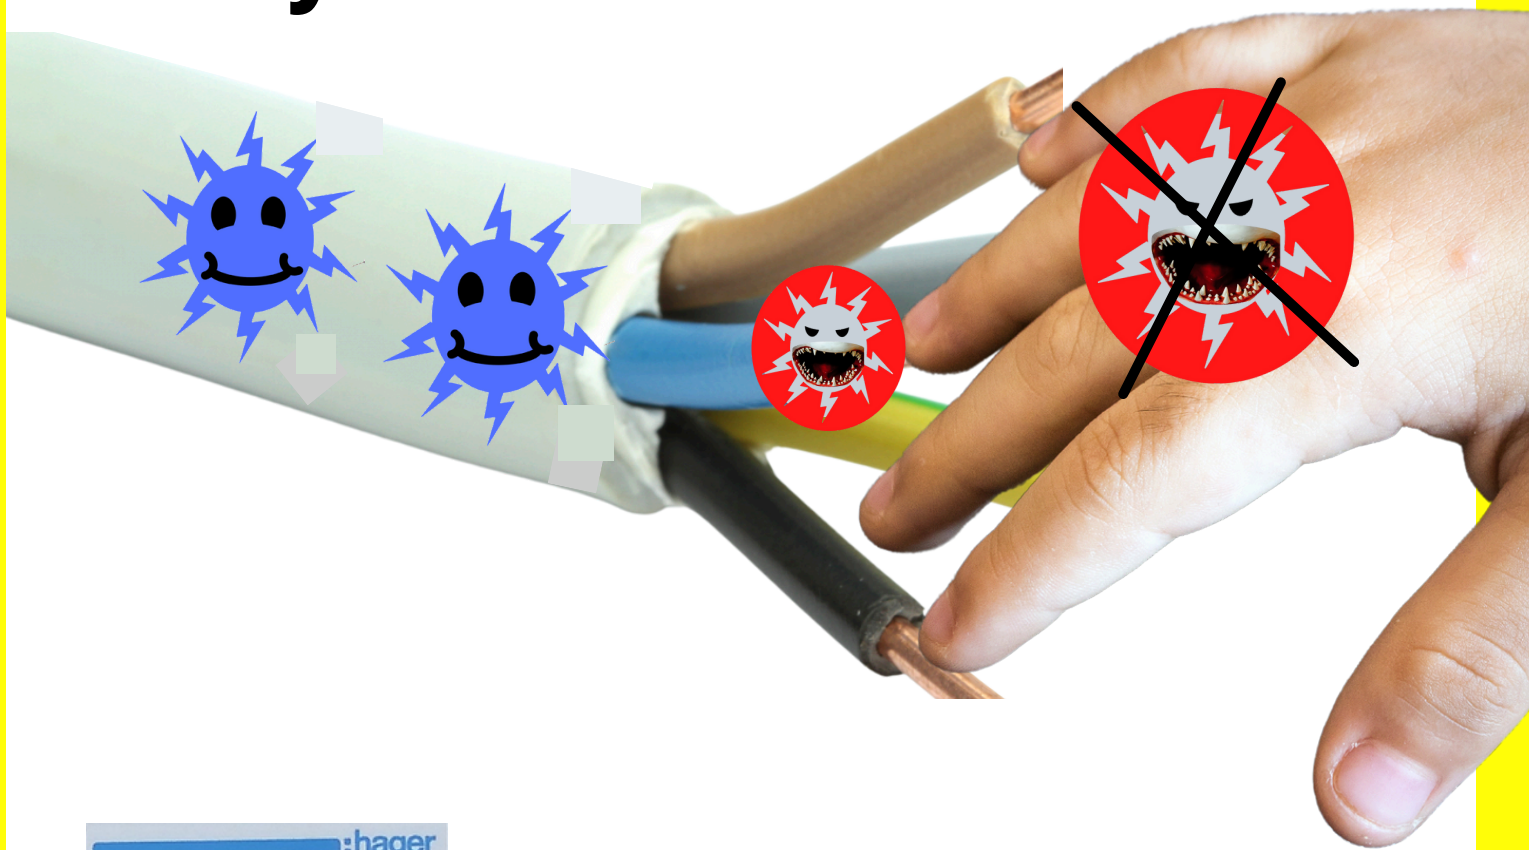

Marley says this is a Safety Switch.

Marley says a Safety Switch saves Lives.

Marley teaches Leo

Marley says a Safety Switch stops Electron the Silent Killer from going into your body.

A safety switch stopped the silent killer.

Leo says thank you

**Leo says thank you Marley
for teaching me about
Safety Switches.**

**Leo says Safety Switches
save lives.**

**Leo says;
Put Safety
Switches on
all the
electrical
cables in
your home.**

Marley gives Leo a good listening ribbon

Marley says join us in the next book with Sally the Rabbit

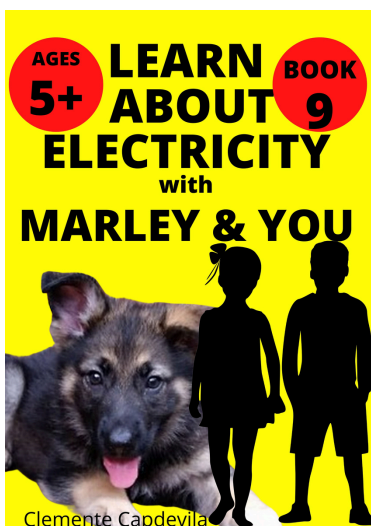

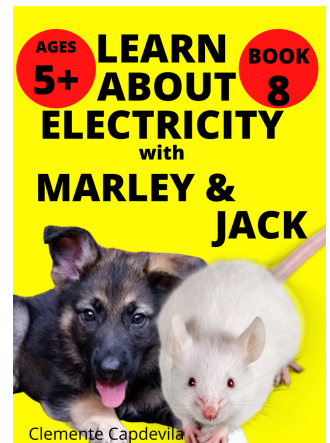

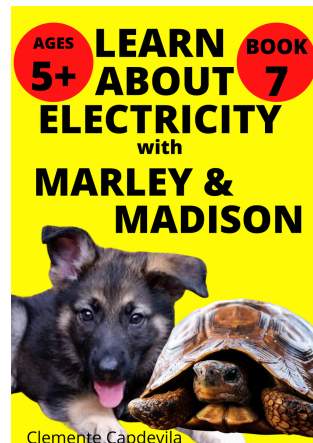

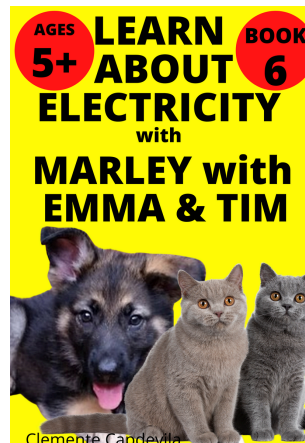

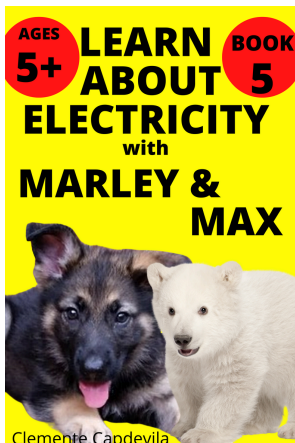

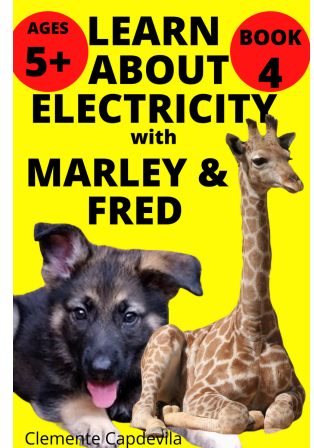

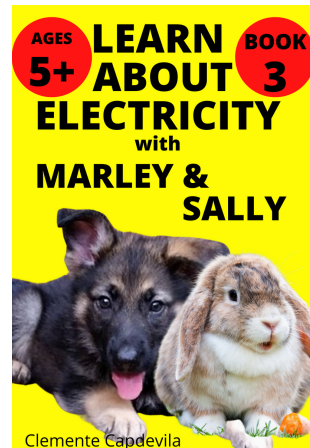

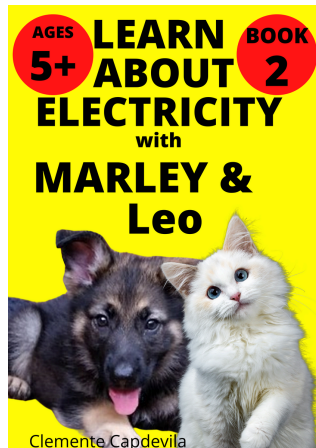

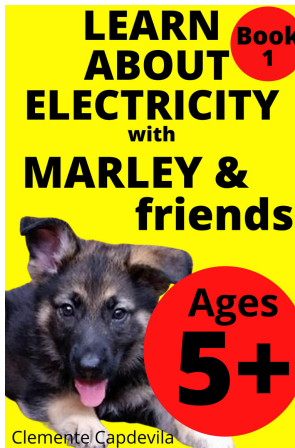

**I can't wait to
learn more**

**Marley and
Sally go on
a special
journey to
learn more
about
electricity.**
