**Marley is an electrical dog.**

**Marley works with  
electricians everyday.**

**Marley loves her job.**

# **Lets meet Sally**

**Sally wants to learn about electricity.**

**Sally would like to be an electrical rabbit one day too.**

**Sally likes to eat all the time. Her favorite food is also chocolate when mum is not looking.**

# **Marley's revision**

**Sally doesn't know Electron  
the Happy worker and  
Electron the Silent Killer.**

**Lets show Sally quickly.**

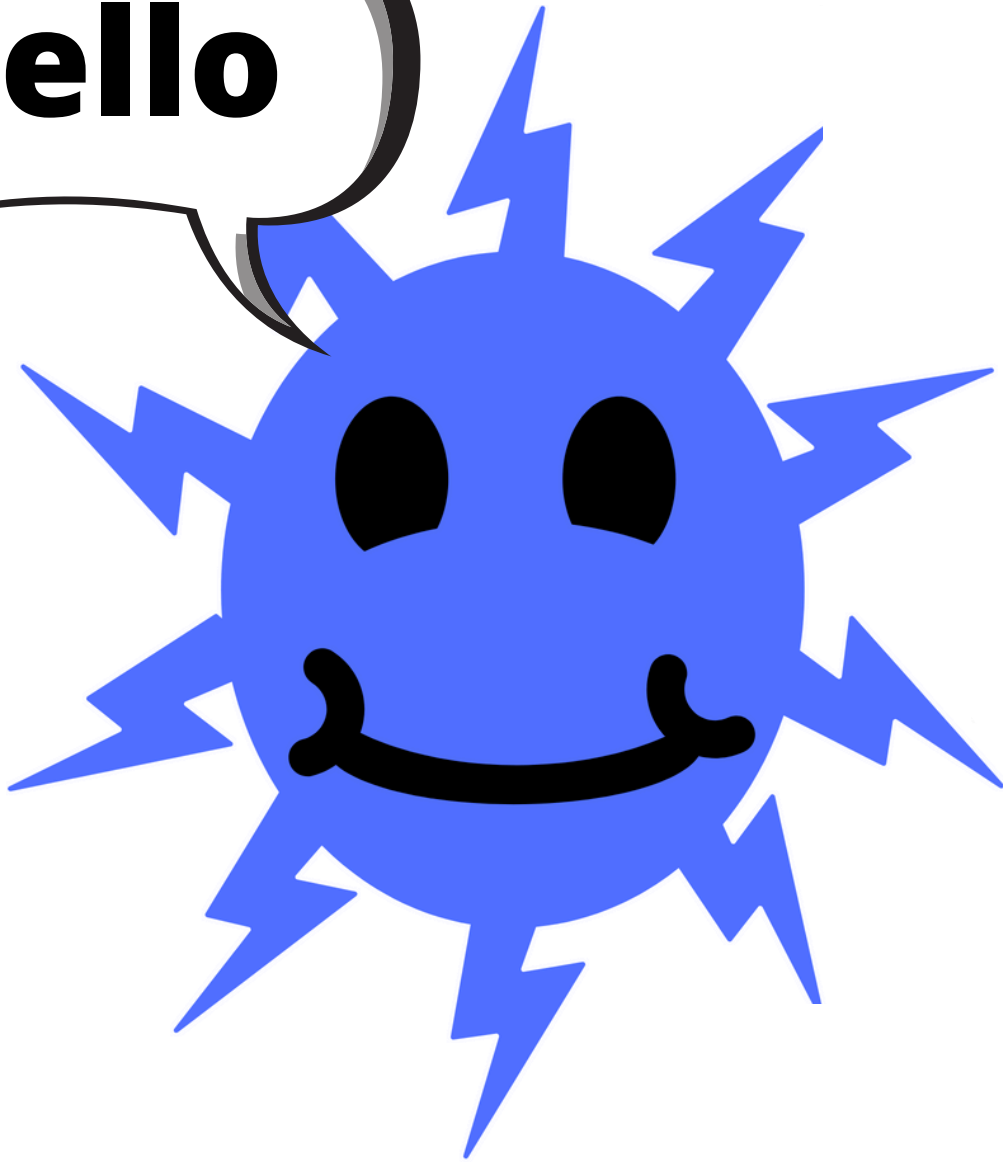

**Thank  
You**

# **Meet Electron the Happy Worker**

**Hello**

**Electron the Happy Worker  
carries electricity from one  
place to another.**

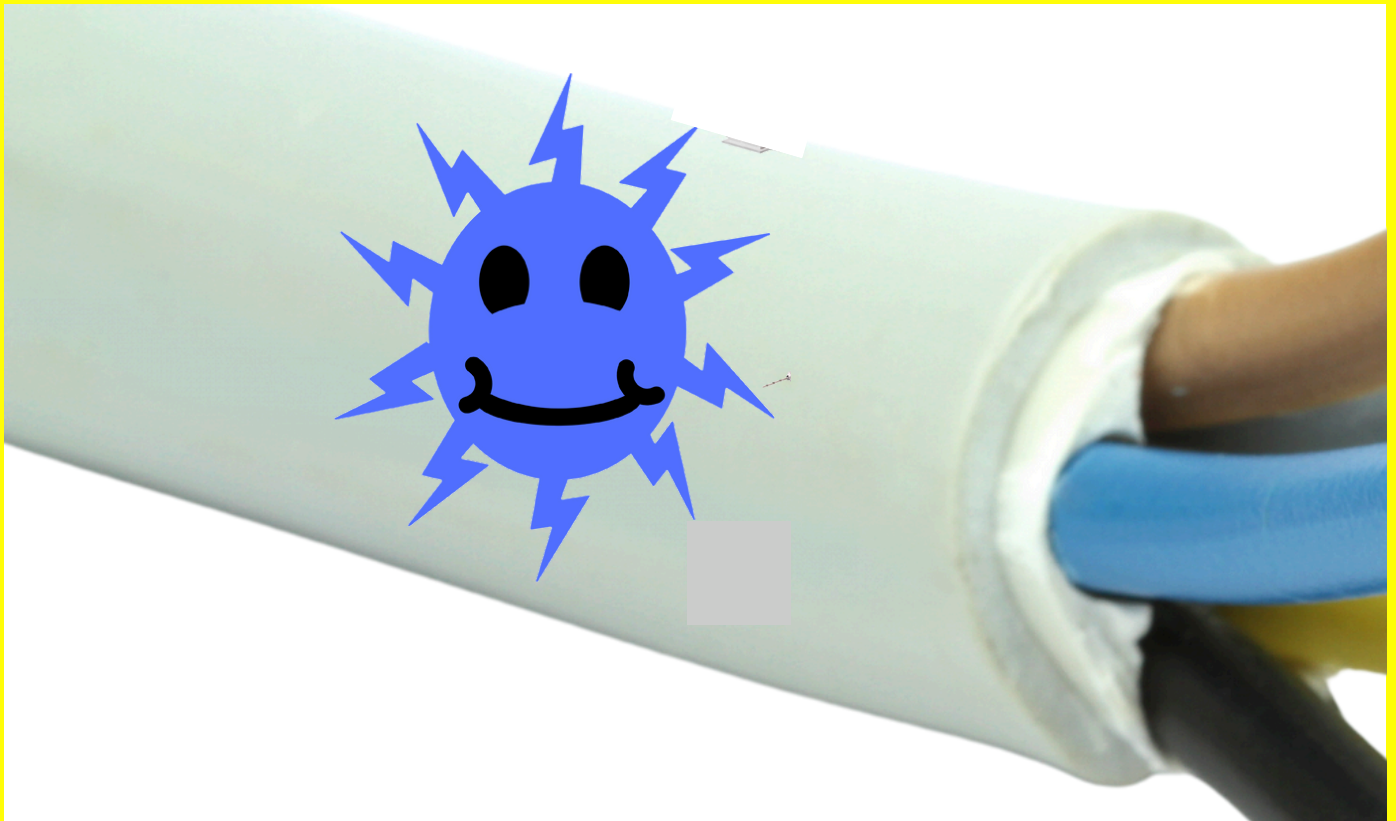

# **What does Electron the Happy Worker do**

**Electron the Happy Worker  
carries electricity to power  
lots of things.**

# **Where does Electron the Happy Worker live**

**Electron the Happy Worker  
lives and hides inside cables  
keeping away from people.**

**Electron the Happy Worker  
does not like to be touched.**

# **What happens to Electron the Happy Worker if touched**

**When Electron the Happy Worker is touched by a person it changes.**

**Electron the Happy Worker turns into Electron the Silent Killer with BIG SCARY shark teeth.**

**Are you ready to meet Electron the Silent Killer?**

**Is the grown  
up scared?**

# **Meet Electron the Silent Killer**

**DONT  
TOUCH ME**

**Electron the Silent Killer  
carries electricity from one  
place to a persons body.**

# **How does Electron the Silent Killer hurt people**

**Electron the Silent  
Killer has**

**NO SOUND**

# **How does Electron the Silent Killer hurt people**

**Electron the Silent  
Killer has**

**NO SMELL**

# **How does Electron the Silent Killer hurt people**

**Electron the Silent  
Killer has**

**NO COLOR**

# **Why does Electron the Silent Killer hurt people**

**Electron the Silent  
Killer has NO BRAIN.**

**Electron the Silent  
Killer cannot tell the  
difference between a  
cable and a person.**

# **Marley teaches Sally**

**Marley says this is a Light Switch.**

**You can turn  
on a light  
with a light  
switch.**

# **Marley teaches Sally**

**Marley says Light Switches can also be dangerous.**

**Never touch a Light Switch that has cracks.**

**The Silent Killer can appear on a cracked Light Switch.**

**Tell a grown up if you see a crack on a Light switch.**

# **Sally says thank you**

**Sally says thank you Marley for teaching me about Light Switches.**

**Sally says Light Switches can turn on our lights. But a Light Switch can also be dangerous.**

**Sally says;**

**The Silent Killer can appear on a cracked Light Switch.**

**Never touch a Light Switch that has cracks. Tell mum if you see one.**

# **Marley gives Sally a good listening ribbon**

# **Marley says join us in the next book with Fred the giraffe**

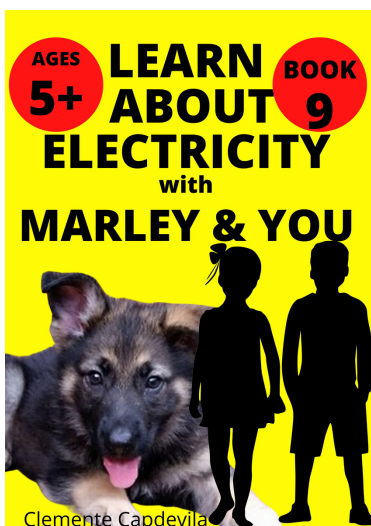

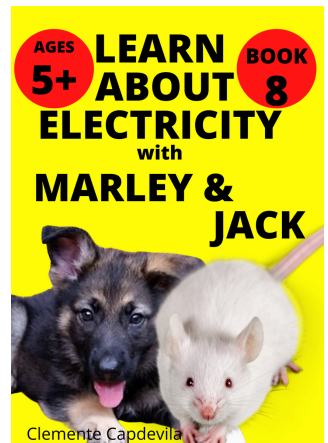

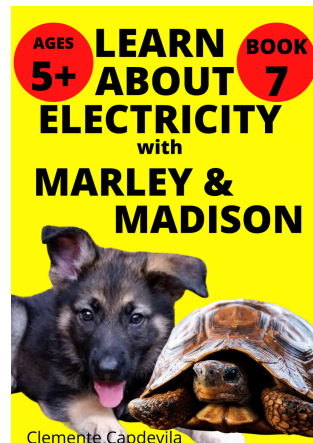

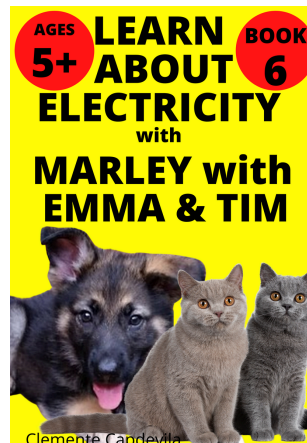

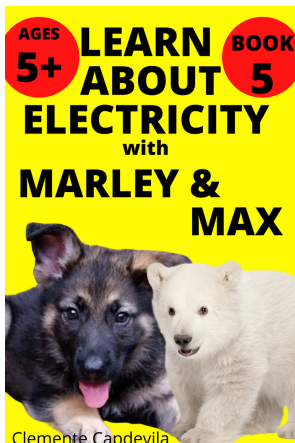

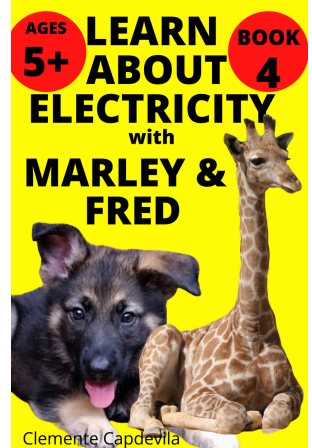

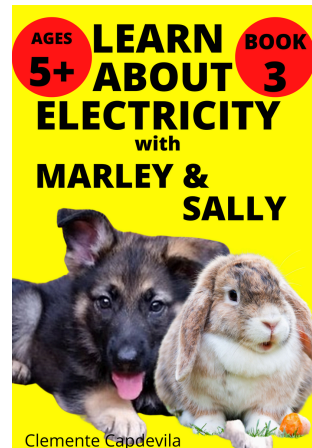

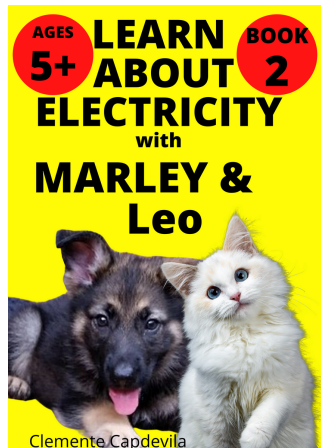

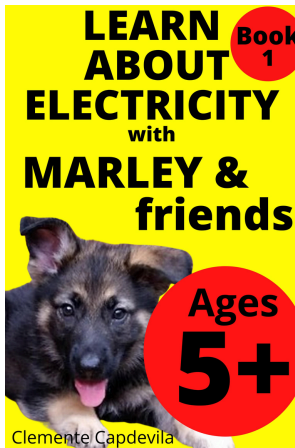

**I can't wait to  
learn more**

**Marley and  
Fred go on  
a special  
journey to  
learn more  
about  
electricity.**
