difference between a  
cable and a person.**

# Marley teaches Max

Marley says this is a  
electrical cable.

Electrical cables carry  
electricity.

# Marley teaches Max

**Marley says electrical cables can also be dangerous.**

**Marley says;**

**Never touch a cracked or damaged electrical cable.**

**The Silent Killer can appear in cracked or damaged cables.**

**Tell a grown up if you see a cracked or damaged electrical cable.**

# **Max says thank you**

**Max says thank you Marley  
for teaching me about  
electrical cables.**

**Max says electrical cables  
can carry electricity but also  
be dangerous.**

**Max says;**

**Never touch  
an electrical  
cable that  
has cracks or  
is damaged.**

**Tell a grown up if you see one.**
