

Option 1

This switchboard has Death, Shocks and Fire Protection

The most advanced technology to protect your family

A yellow rectangular sign with a black border. It features three icons: a blue lightning bolt in a circle, a black starburst, and a red flame. Below each icon is the corresponding word: "DEATH" in blue, "SHOCKS" in black, and "FIRE" in red.

When the BLACK lever drops
A FIRE IS STOPPED

A close-up photograph of the switchboard with the black lever in the down position. The device is labeled with "30mA".

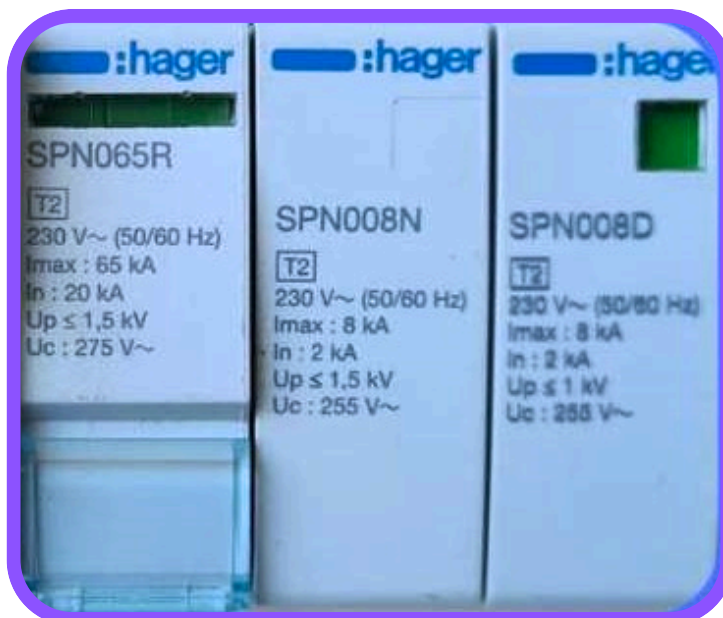

When the WHITE lever drops
A LIFE IS SAVED

A close-up photograph of the switchboard with the white lever in the down position.
