

Landlord or becoming
a new Landlord?

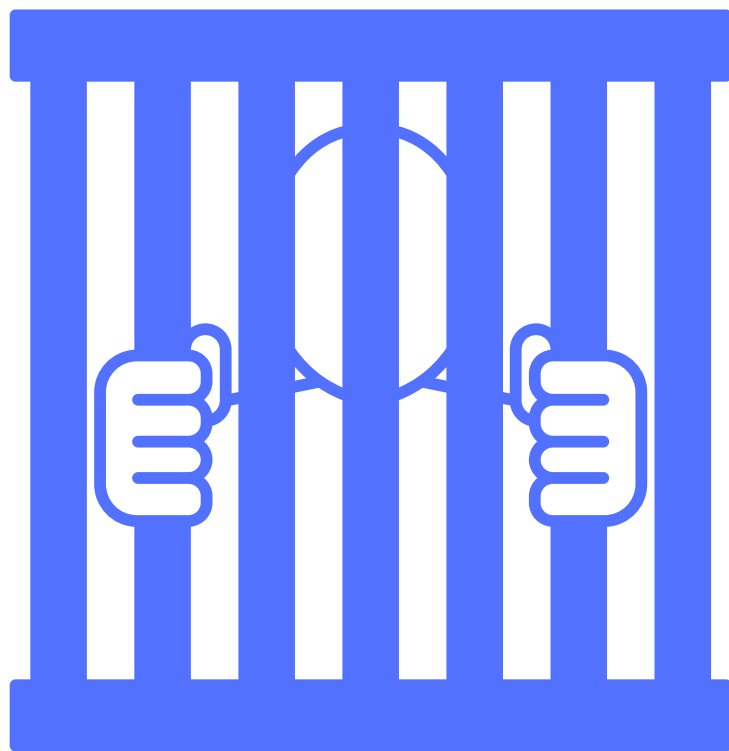

We have the protection
package for you

Why you need protection

There are obligations under
the Electrical Safety Act
2002 that you need to follow

Failing to comply
with the Act has
serious consequences

Causing electrical harm to a
tenant can result in fines
and even imprisonment

Our services comply with
protecting you from
your responsibilities

Contact us today and receive
a free evaluation of the risk
level at your rental property
