# Graduating Seniors

## **BRIANNA BENEKE**

I've been dancing since I was just three years old and have always loved it. I wanna thank my parents, my teachers, and my whole dance family for being there for me. I plan to go on to St. Olaf College to double major in biology and dance. After, I want to attend Vet School at the University of Minnesota. I'm thankful dance can continue to stay in my life as I go on. I love our crazy little dance family and will definitely come back to visit.

## **SOPHIE SWANGER**

I have been dancing for twelve years and I want to thank my mom and my grandma for making the sacrifices they did so that I can keep dancing. I also want to thank my dance family for always being supportive of me. My next steps are to go to Anoka Technical College to pursue welding and come back to the studio to dance for one more year.
