- a) Effective 01/01/2022, notwithstanding Subsection 3.1 above, the definition of Regular Full-Time employees shall include those employees who work a predetermined work schedule amounting to thirty-six (36) hours per week. (Refer to Addendum II for benefit entitlement on regular part-time and part-time employees.)

SECTION 4. UNION SECURITY

4.1 Membership

- (a) All employees covered by this Agreement must, by the thirty-first (31st) day of their employment and thereafter, either become and remain members of the union in good standing, or as nonmembers, pay the union the service fee designated by the union. Any employee who fails to

do one or the other shall, upon notice of such fact in writing from the Union to the Employer and after an opportunity for counseling, be replaced.

- (b) Employees with bona fide religious convictions are exempted from the provisions of 4.1(a) above. Such employees must submit a letter from their church or sect leader that a historical, bona fide religious conviction exists and that such conviction is an appropriate exemption as defined in Section 19 of the NLRA, as amended. Such employees shall pay a monthly amount equal to the membership dues uniformly required as a condition of retaining membership in the Union or pay a service fee, either directly or by means of Exhibit "C," "Contribution to Charitable Fund," to one of the charities listed on Exhibit "C".

4.2 Employee Notices

- (a) At the time of employment, specific attention shall be called to the obligations of Section 4.1(a). On a bi-weekly basis, the Employer will provide the Union employee demographics and employment information to include each employee's name, address, phone number, job title, employment status, work location, work department, seniority date, pay grade and step, shift, date of birth, and termination date.
- (b) Every month the Employer shall provide a list with the names of employees who are newly hired, whose classifications or names have changed, have gone on or returned from leaves of absence (including start and return dates), terminated employment, are temporary or changed status in the prior month. This list shall include all the information in (a) above, as well as date of hire, date of coverage under the Agreement, the date part-time (quarterly) status is achieved or lost and relevant hours worked. This information shall be provided electronically.

4.3 Bargaining Unit and Staffing Information. Once a year, the Employer shall furnish to the Union the number of FTE (Full Time Equivalent) budgeted positions, including vacant or frozen positions.

SECTION 5. MONTHLY DUES DEDUCTION

5.1 Deduction of Dues

- (a) The Employer will deduct Union membership dues from the wages of each covered employee who has made application for membership and who submits the standard signed authorization, Exhibit "B" and "B-1" to the Employer. The Union shall notify the Employer of the amount to be deducted from the employee's wages using said protocol. Deductions shall be made at least once a month. The Employer will remit such amounts to the Union via electronic funds transfer. Such electronic funds transfer will require concurrent submission of a listing which includes name, employee identification number and amount of deduction for each employee for whom a deduction is made no later than the next consecutive pay period following the deduction. It is agreed that deductions required by law shall have priority over deduction of Union dues.

The Employer agrees to honor all authorization for payroll deduction for union membership dues, fees, and charges to Union members and to remit such payments promptly to the Union pursuant to

such authorization. Authorized deductions shall be revocable in accordance with the lawful terms under which an employee voluntarily authorized said deductions.

- (b) An employee who, during the term of this Agreement, executes an authorization form for deduction of Union dues out of the employee's wages, shall continue to pay regular monthly dues to the Union in conformance with Exhibits "B" and "B-1".

5.2 Indemnity. The Union shall indemnify the Employer and hold it harmless against any and all suits, claims, demands and liabilities that shall arise out of or by reason of any actions that shall be taken by the Employer for the purpose of complying with the foregoing provision of this Section.

SECTION 6. NON-DISCRIMINATION

There shall be no discrimination by the Employer or the Union against any employee on account of membership or non-membership in the Union, or activity on behalf of the Union provided that such activity does not disrupt the employee's regular duties and responsibilities. The Employer and the Union agree that there shall be no discrimination against any employee on the basis of any protected class in accordance with all state and federal laws. Protected class includes but is not limited to age, sex, race, ancestry, religion, sexual orientation, or disability. The Employer agrees not to practice favoritism or partiality to employees in the administration or application of the terms of this Agreement.

SECTION 7. ACCESS TO EMPLOYER'S PROPERTY

7.1 Access to Employer's Facilities. The Employer shall allow duly authorized representatives of the Union to visit the Employer's facilities, except patient-care areas unless accompanied by a representative of the Employer, at reasonable times to ascertain whether or not this Agreement is being observed and to assist in adjusting grievances, provided that no interference with the work of any employee shall result therefrom and that the Union representatives shall advise the Employer of such visits and the nature of the visit prior to entering the Employer's premises. If the HNHP representative needs to interview any covered employee privately and such activity will not interfere with the Employer's operations, the Employer shall make available a suitable location for such interview to be conducted.

7.2 Meeting Rooms. The Union may request for and coordinate with the Employer the use of a room to meet for the purpose of discussing information and concerns about Union matters relating to the Employer.

The Employer shall honor such requests provided they are executed and utilized reasonably and are subject to the availability of a meeting room.

7.3 New Hire Orientation. Employer will provide one paid hour during New Employee Orientation for a union orientation, the time at which this orientation takes place will be decided by mutual agreement. The Employer will make every effort to provide the Union one-week advanced notice of and access to new employee orientation ("NEO") meetings to explain Union membership, the local Union contract, the National Agreement and the cooperative partnership relationship between the Alliance of Health Care Unions and the Employer. The Union portion of the NEO meetings shall be a minimum of one hour, with mandatory

attendance by new employees, employees changing to an HNHP bargaining unit, and/or changing from non-represented to represented. The Employer shall provide the Union the names of new bargaining unit employees attending NEO sessions at least two days in advance of the meeting. The Employer agrees to provide a positive image of the Union and Union representation and shall remain neutral with regard to Union membership. Union agrees to present a positive image of the Employer.

SECTION 8. BULLETIN BOARDS

The Employer shall permit the timely and updated posting of official Union notices on bulletin boards not in public areas provided such items are signed and posted by a duly authorized official of the Union and a copy provided at the time of such posting to a designated representative of the facility and to Labor Relations in the Human Resources Department.

SECTION 9. MANAGEMENT RIGHTS

The Union recognizes that the Employer has the duty and the right to manage its facilities. This includes the right to hire, transfer, promote, demote, layoff, establish reasonable rules of conduct for employees, and to discipline and discharge employees for just cause. The exercise of these duties and rights shall be subject to the terms of this Agreement. The Union also recognizes that there are rights and responsibilities belonging solely to the Employer such as, but not limited to, the authority to determine the nature of the services to be provided and the manner in which such services shall be implemented by the registered respiratory therapists. In the event any policy or rule conflicts with a provision of this Agreement, the Agreement shall prevail.

SECTION 10. HOURS OF WORK

10.1 Definition. This Section is intended to define the normal hours of work and shall not be construed as a guarantee of hours of work per day or per week or of days of work per week.

- (a) The parties agree that to provide the most desirable level of patient care, a stable working staff is the mutual goal. Additionally, this should facilitate providing care to patients at an economical cost and provide the necessary balance in assignment of shifts.
- (b) The Employer will not hire respiratory therapists that are independent contractors.

10.2 Regular Hours of Work

- (a) The workweek shall begin at 7:01 a.m. on Sunday and end at 7:00 a.m. the following Sunday. The workday shall begin at 12:01 a.m. and end at 12:00 midnight.
- (b) The regular workday shall not exceed twelve (12) hours, except where alternate work schedules exist and/or are being tried through mutual agreement between the Employer and the Union.

- (c) The regular workweek shall not exceed forty (40) hours.

10.3 Work Shift

- (a) Definition of Night Shift

- (1) Twelve (12)-hour schedule. Any shift that begins on or after 6:00 p.m. but before 6:00 a.m.

- (b) Permanent Shifts. The Employer shall grant employee requests for permanent weekdays off and permanent shift when an opening is available. Openings on permanent shifts shall be filled subject to patient care requirements.

10.4 Posting of Work Schedules. Work schedules on a unit basis will be posted at least two (2) weeks in advance; such schedules shall not preclude emergency changes in hours of work. If the schedule is not posted according to the requirements of this Section, each employee scheduled to work on the first day of the new schedule shall be paid one and one-half (1-1/2) times their regular straight time rate for all hours worked on the first day of the new schedule.

- (a) Voluntary Sign Up Lists. Priority is to fill shifts without overtime. Except for urgent circumstances, the Employer shall offer work first to employees who are on such sign-up list. Overtime is at the Employer's discretion.

10.5 Scheduling of Work

- (a) Scheduling Requests. In scheduling of work, the Employer will give first consideration to the requests of employees in order of seniority. With regard to such requests, it is understood that the requirements of patient care are primary.

The Employer shall not use agency or traveler respiratory therapists except in situations where no other reasonable means of providing necessary staffing are available.

The Employer shall make every reasonable attempt to ensure that there will not be an increased assignment of any of its respiratory therapy staff to night, holiday or weekend duty as a result of the use of agency and traveler respiratory therapists.

- (b) Permanent Shifts. The Employer will grant permanent shifts to the fullest extent possible subject to the recruitment problems and operational needs.

- (c) Weekends

- (1) Definition of Weekend. A weekend is defined as Saturday and Sunday except that for night employees it may be a Friday and Saturday or Saturday and Sunday.

- (2) Guarantee of Weekends Off. The Employer shall provide schedules that afford every

other weekend off for regular full-time and regular part-time employees. Employees who desire to work more than every other weekend may do so by signing a waiver to the Employer.

10.6 Exceptions. The provisions of Section 10 may be changed by mutual written agreement between the supervisor and the employee. The employee may waive premium or other penalty payments resulting from such changes except they may not waive overtime payments required by law.

10.7 New Units/Flexible Hours/Shifts. Nothing in this section shall amend the right of the Employer to establish "flexible" shift hours for shifts not occupied by incumbent employees.

SECTION 11. MEAL PERIODS AND REST PERIODS

11.1 Meal Period

- (a) Employees scheduled to work more than six (6) hours per day shall be entitled to an uninterrupted meal period of at least thirty (30) minutes (however, an employee afforded less than twenty (20) minutes for an uninterrupted meal period will be compensated for the full one-half (1/2) hour). If an employee is required to work more than six (6) hours after the start of the shift without being given an opportunity to have a meal period, the employee shall be paid at the applicable overtime rate for all time worked after said sixth (6th) hour until such time as the employee is afforded the opportunity to have a meal period. Before any employee may be paid any overtime payments due to the employee's inability to have a meal period within the designated six (6) hours, such employee must have contacted supervisor personnel to notify them of the employee's inability to take a meal period at the scheduled time prior to the employee working through the scheduled meal period.
- (b) Unscheduled Second Shift. If an employee who is working an eight (8) hour shift works on an unscheduled second shift (double shift), or for a twelve (12)-hour shift employee, a partial shift of four (4) or more hours, the employee may be provided with a meal voucher up to nine dollars (\$9.00). An unscheduled shift means that the employee reported to work not knowing s/he would end up working a second shift.

11.2 Rest Periods

- (a) Employees scheduled to work twelve (12)-hour shifts shall have one fifteen (15) minutes rest period during each four (4) hours of the shift (i.e., three rest periods per twelve-hour shift), subject to the requirements of complete patient care.
- (b) If employees are consistently unable to take their rest periods, the Employer agrees to meet with the Union in an attempt to resolve the issue.

11.3 Combining Meal and Rest Period. The Employer may allow employees, in conformance with the requirements of complete patient care, to combine their meal period with one (1) or two (2) rest periods.

SECTION 12. COMPENSATION

12.1 Wages. The minimum rates of pay are set forth in the attached Exhibit "A".

12.2 Differentials

(a) Night Shift

1) An employee working the "night" shift shall receive a shift differential of four dollars (\$4.00) per hour effective the pay period after December 01, 2021 for all hours worked within the shift. Effective the start of the pay period after December 01, 2022, the night differential will be four dollars and fifty cents (\$4.50). Effective the start of the pay period after December 01, 2023, the night shift differential will be five dollars (\$5.00).

(b) Preceptor

- (1) A bargaining unit employee who is assigned to serve as a Preceptor shall receive a differential of two dollars (\$2.00) per hour for any shift (or portion thereof) during which the employee is assigned to perform Preceptor responsibilities.
- (2) This applies to a respiratory therapist who is assigned 1:1 for a defined period of time to another respiratory therapist for the purpose of evaluating competencies and teaching new skills required for the unit/department/clinic or specialty area, per discretion of the supervisor.
- (3) The preceptor candidate should have at least two (2) years of experience in respiratory therapy and have had a minimum Successful Performance Review.
- (4) In situations where there are no precepting volunteers with two (2) years of experience, a less senior person with at least six (6) months respiratory therapy experience with Kaiser Permanente may precept provided they have had a minimum

Successful Performance Review.

12.3 Reporting Pay. An employee who is scheduled to work and reports to work at the starting time scheduled without receiving prior notice that no work is available, shall receive payment for four (4) hours work at the straight time rate of pay. It shall be the responsibility of the employee to notify the Employer of their current addresses and telephone number. Failure to do so shall excuse the Employer from notification requirements, and from payment of reporting pay. The Employer shall provide notice to the employee to be called off at least one and one-half (1-1/2) hours prior to the beginning of the day shift and two and one-half (2-1/2) hours prior to the night shift start times.

12.4 Standby

Stand-by Definition: Stand-by is offered when there is an unanticipated increase of available work or anticipated pending surge of patients requiring respiratory treatment of care. Stand-by may be offered when there is a real or potential need for staffing to meet an increased work opportunity or an anticipated surge of patients requiring respiratory care.

- a) The usual expectation for stand-by is that the employee will be available but offsite during an established time period. If the employee is needed by the Employer to be on the premises such time served will be compensated at the employee's applicable rate of pay for that shift. If an employee is placed on stand-by by the Employer, the employee shall be paid five dollars and fifty cents (\$5.50) for each hour. Effective the start of the pay period after June 1, 2022, stand-by pay will be five dollars and seventy-five (\$5.75). Effective the start of the pay period after June 1, 2023, stand-by pay will be six dollars (\$6.00).
- b) Call-Back When on Stand-by. If an employee is called back to work during standby period, the employee shall be paid at one and one half (1 1/2) times the employee's regular straight time rate for all hours actually worked within a two (2) hour minimum guarantee. Employees on a stand-by are expected to report to duty within forty-five (45) minutes of being notified.
- c) Cancellation of Standby Status. The Employer may cancel the employee's standby status provided that the Employer notifies the employee at least two (2) hours before the start of the scheduled standby shift.

12.5 Overtime

- (a) Definition. All hours worked in excess of forty (40) hours per workweek shall be compensated for at the rate of one and one-half (1-1/2) times the employee's regular straight time hourly rate. An employee who works more than twelve (12) consecutive hours in a workday shall be compensated at two (2) times the employee's regular straight time hourly rate.
- (b) No Pyramiding. There shall be no duplication of overtime or premium payments for the same hours worked under any of the provisions of the Agreement, and to the extent that hours are compensated for at overtime or premium rates under one provision, they shall not be counted as hours worked in determining overtime or premium payments under the same or any other

provisions, except holiday hours worked and paid at one and one-half (1-1/2) or two and one-half (2-1/2) times the straight time rate and holiday hours paid but not worked falling on an employee's regularly scheduled workday shall count as hours towards forty (40) hours in the workweek.

- (c) Inclusion of Shift Differentials. For overtime purposes, shift differentials will be considered as part of the employee's straight time rate of pay.
- (d) Overtime Authorization. Employees shall work overtime at the discretion and upon the approval of the Employer or designee. All overtime worked by an employee must be authorized in advance if possible. If, on the day overtime is worked, it is not possible for the employee to secure overtime authorization in advance and if the employee has to work overtime in order to complete assigned duties, the employee shall record the overtime on the day the overtime is worked. The employee will make a record of the overtime explaining the reason for the necessity of working overtime which will be provided to the Employer at the earliest opportunity.
- (e) Forty-Eight (48) Hours Rest. An employee who rotates from a night shift to a day shift shall have at least forty-eight (48) hours' rest between the shifts. All hours worked within the forty-eight (48) hour rest period shall be paid at the rate of one and one-half (1-1/2) times the employee's regular straight time hourly rate.
- (f) Ten (10) Hours Rest. An employee who is scheduled to report back for work to a regular shift after completing a shift of four (4) hours or more without at least ten (10) consecutive hours of rest shall be paid at the rate of one and one-half (1-1/2) times the employee's regular straight time hourly rate for all hours worked until a period of ten (10) consecutive hours of rest is provided, regardless of whether the hours worked during the previous shift are at the regular straight time, overtime or premium rate of pay, except where such schedule results from a request of the employee. When the Employer schedules an employee for a voluntary overtime shift which would result in less than ten (10) hours rest before the employee's next scheduled shift and the Employer plans to change the employee's regular shift start time in order to avoid the payment of the overtime penalty, the Employer shall notify the employee of such planned schedule change prior to the employee accepting the overtime shift.
- (g) Over Twelve (12) Hours. Regardless of whether the hours worked are at the regular straight time, overtime or premium rate of pay, an employee shall be compensated at the rate of two (2) times the regular straight time hourly rate for all work time exceeding twelve (12) consecutive hours in a workday. A break of two (2) hours or less shall not be considered an interruption in the computation of the twelve (12) consecutive hours of work. Scheduled meal periods shall not be counted as part of the consecutive hours worked, provided that the employee actually is able to take the uninterrupted meal break at issue.
- (h) Seventh (7th) Consecutive Day. Time worked on the seventh (7th) consecutive day and on each succeeding consecutive calendar day thereafter shall be paid at the rate of one and one-half (1-1/2) times the employee's regular straight time hourly rate, provided the employee has

worked four (4) hours or more on each of the first six (6) consecutive days. The foregoing premium shall apply regardless of whether time worked on the first six (6) consecutive calendar days is paid at the straight time, overtime or other premium rate of pay. No premium shall be payable where the work schedule results from a request initiated by the employee. The Employer has the right to schedule an employee off in order to break the consecutive days of work to avoid payment of the premium.

- (i) Mandatory Overtime. Mandatory overtime will be used only when necessary, other reasonable resources have been used, and the steps taken to secure coverage have been documented. Subject to qualifications and patient care requirements, mandatory overtime shall be rotated on an equitable basis with the least senior qualified employee being assigned first. In the event that mandatory overtime is necessary on more than an occasional basis, the Employer agrees to meet with the Union to discuss the issue.

12.6 In-Service Training or Work Related Meeting

- (a) If the Employer directs the employee or if the employee voluntarily elects (with the supervisor's approval) to participate in an in-service training program or any other meeting which is related to the employee's work, the employee shall receive the applicable rate of pay for the time spent in attendance at the in-service program or work related meeting and the time spent shall count as hours worked for the purposes of overtime calculation. An employee will not experience loss in pay as result of time allocated for training being reduced, though management reserves the right to return employees to work and/or require them to complete other training.
- (b) Mandatory In-Service Meeting. Employees attending required in-service training or work related meetings shall receive a minimum of two (2) hours pay, unless the in-service training is connected with their regular shift in which case they shall be paid for actual time spent, at the applicable rate of pay.
- (c) Employer Mandated On-Line Courses. Employees completing on-line training courses off the Employer's premises shall receive the applicable rate of pay for the time allotted to complete such training which shall count as hours worked for the purposes of overtime calculation.

12.7 Deductions and Itemized Paycheck Stub

- (a) Payday will be every other Friday. An itemized stub shall be provided (primarily via KP's electronic system) with the paycheck showing the following items of information:

- (1) Pay period ending date;
- (2) The gross regular pay;
- (3) Identification of vacation, holiday, sick leave, overtime and other premium pay;
- (4) Itemization of all deductions;
- (5) Net compensation;
- (6) Vacation balance;
- (7) Year-to-date gross pay;

(8) Year-to-date gross taxes;

- (b) Direct Deposit. The Employer shall provide for direct deposit of employee paychecks to any institution of the employee's choice provided that institution is part of the National Automated Clearing House Association system. In the event the Employer becomes aware that an employee's paycheck is not deposited on the due date, the Employer will make a reasonable attempt to contact and inform the employee of the delay (telephone call to the number listed in the Personnel Office).
- (c) Payroll Errors. If an error is made by the Employer of one hundred dollars (\$100.00) or more, the employee may notify the Employer in order to have an off-cycle check issued.

SECTION 13. CONTINUOUS SERVICE DEFINED

The floating holiday shall be scheduled by the employee and taken within the calendar year in accordance with the provisions of 14.3 or carried as part of the employee's vacation accumulation.

14.2 Eligibility for Holiday Pay

- (a) Eligibility. An employee, in order to be eligible for paid holiday, must have been employed thirty (30) days prior to the holiday and must have earnings in the workweek in which the holiday occurs. The employee must also have worked any shift scheduled on the day prior to the holiday, the holiday if scheduled and the employee's next scheduled shift following the holiday unless an absence from one or more of such shifts is authorized by the Employer.
- (b) Regular Full-Time Employees. If an eligible regular full-time employee is required to work on any of the foregoing holidays [except as provided in (d) below], the employee shall be paid at the straight time rate of pay for all hours worked on the holiday and shall be credited with an additional day of vacation on the basis of twelve (12) straight time hours or the employee may exercise a choice of being paid one and one-half (1-1/2) times the straight time rate of pay for all hours worked on the holiday but with no substitute (vacation) day. If the holiday falls on an employee's scheduled day off, the employee shall be credited with an additional day of vacation on the basis of twelve (12) straight time hours. Such day may then be scheduled by the employee as a substitute holiday in accordance with the provisions of 14.3 below or carried as part of the employee's vacation accumulation.
- (c) Regular Part-Time and Part-Time Employees. Regular part-time employees shall receive prorated holiday benefits. Part-time employees shall receive prorated holiday benefits only if they work on one of the above holidays. Holiday pay shall be at the employee's regular straight time rate.

Employees in units that are open on the date of the actual holiday shall observe the holiday on that day. Employees in units which are closed on the date of the actual holiday shall observe the holiday on the day that the State observes the holiday.

14.3 Substitute Holiday Observance. Designation of the occurrence of the substitute holiday observance shall be made by the employee providing the Employer is notified by the employee in writing, at least two (2) weeks prior to the posting of the work schedule, and that granting such request does not jeopardize the operating efficiency of the department.

14.4 Holiday Scheduling

- (a) Scheduling Preferences. In scheduling holiday work, the Employer will, after due regard for operating requirements, consider the employee's preference. Employees will be asked to express their preference between October 1 and October 31. If, during this period, there is a conflict in employees' preference, the employee with greater seniority will merit consideration.
- (b) The Employer shall schedule so that the maximum number of regular full-time and regular part-time employees consistent with patient care requirements are off on either:
 - (1) Christmas Eve Day (December 24) and Christmas Day (December 25), or
 - (2) New Year's Eve Day (December 31) and New Year's Day (January 1)
- (c) Christmas Day Substitution. Those employees having other than Christian religious beliefs may elect to substitute for Christmas Day a holiday that coincides with their religious beliefs.

14.5 Shift on Holidays. When a shift starts on a day preceding a holiday and extends into the holiday, it shall be considered a non-holiday shift. When shift starts on a holiday and extends into the following day, it shall be considered a holiday shift.

14.6 Recall to Work During Holiday Times. A regular full-time employee who has a scheduled day off to observe a holiday and is recalled to work shall be compensated at the overtime rate and take the holiday off on another day in accordance with the provisions of Section 14.3, Substitute Holiday Observance.

14.7 Holiday During Sick Leave. When a regular employee is sick on a holiday, the employee shall receive sick leave pay, if eligible, and the substitute holiday with pay shall be scheduled in accordance with Section 14.3, Substitute Holiday Observance.

14.8 Overtime Computation. Holidays hours worked and paid at one and one-half (1-1/2) or two and one-half (2-1/2) times the straight time rate and holiday hours paid but not worked falling on an employee's regularly scheduled workday shall count as hours towards forty (40) hours in a workweek.

14.9 Exceptions. The provisions in this Section may be modified by mutual agreement, in writing, between the employee and the Employer.

SECTION 15. VACATIONS

15.1 Accrual of Vacation

- (a) Regular full-time employees shall accrue vacation according to the following schedule. Regular part-time employees shall accrue vacation on a prorated basis.

1 to 4 years of service	–	2 weeks (80 hours) vacation time
4 to 7 years of service	–	3 weeks (120 hours) vacation time

7 or more years of service – 4 weeks (160 hours) vacation time

- (b) Waiting Period. Vacation may not be used during the first three months of employment. However, an eligible employee shall accrue vacation from the date of hire.

15.2 Vacation Pay. Earned vacation pay will be paid to regular employees when taking time off at the employee's regular straight time rate in effect at the time the vacation is taken.

15.3 Vacation Time Taken. Whenever possible, consistent with patient needs, the preferences expressed by a regular employee for a particular vacation period will be given consideration.

- (a) Vacation Sign-Up. Between October 1 and November 1 of each year, employees will be asked to electronically submit their vacation requests for the upcoming year.
- (b) Vacation Preferences. On or before November 1 of any year, where partially or wholly conflicting dates are requested by two or more regular employees, seniority shall prevail. Thereafter a regular employee who has selected an available vacation period, during the sign up period, shall be protected in such choice even though an employee having greater seniority may later request the same dates. Requests made after November 1 shall be considered in the order of the request. The Employer will make all reasonable efforts to respond within two (2) weeks of the request. The vacation list shall be posted by November 15.
- (c) No Vacation Blackouts. The Employer agrees not to automatically deny any vacation requests during any particular time of the year. It is understood that the granting of any vacation during the Christmas and/or New Year's holidays will reduce the number of employees who can be allowed to observe either Christmas or New Year's as scheduled holidays.
- (d) Accumulated Holidays. Regular employees may sign up for accumulated holidays to be taken in conjunction with vacation. Regular employees must specify the holidays to be accumulated during their vacation sign-up period and must actually earn the holidays in accordance with Section 14.2 Eligibility for Holiday Pay.
- (e) Assigning Vacation Periods. The Employer reserves the right to assign vacation periods in accordance with Section 15.3 (g) to any regular employee who has made no request for a scheduled vacation prior to November 1 in any year.
- (f) Vacation Exchanges. Two or more regular employees may exchange vacation periods provided the approval of the employee's supervisor is secured in writing and provided no overtime or other premium pay results.
- (g) Maximum Accumulation. Earned vacation time may accumulate in an amount not to exceed two (2) times the regular employee's annual amount provided that at least one (1) week of earned vacation time with pay must be taken every year.
- (h) Minimum Vacation Usage. The minimum of vacation which may be taken at any one time shall be one (1) hour.

15.4 Holiday During Vacation. When a holiday, for which a regular employee is eligible for holiday pay, occurs while the employee is on vacation, that holiday will be paid for as a holiday rather than being charged against accumulated vacation.

15.5 Sick Leave During Vacation. Regular employees ill or injured during their vacation period may elect to substitute accrued sick leave (if any) for such illness or injury (if certified) for vacation time and pay and reschedule the balance of their vacation according to Section 15.3, Vacation Time Taken. Certification of such illness or injury is required by the Employer.

15.6 Overtime Computation. Time spent on vacation shall not count towards forty (40) hours in the workweek for purposes of overtime or premium computation.

15.7 Serious Family Illness. If, under the provisions of Section 17, Leaves of Absence Without Pay, a regular employee is given time off to care for a seriously ill member of the family, the employee may use earned vacation pay for the period of the leave.

15.8 Recall to Work During Vacation Time. When a regular employee is recalled to work after having started a vacation period and before completing same, the employee shall be paid one and one-half (1-1/2) times the basic straight time rate (plus shift differential where applicable) for hours worked during the balance of that paid vacation period. The vacation time so worked shall be rescheduled through mutual agreement.

15.9 Vacation Cancellation. In the event an employee has vacation approved and based on that approval makes financial commitments for travel, such as purchasing airline tickets, etc. and that vacation is subsequently canceled by the Employer, the employee shall be reimbursed for cancellation costs incurred as a result of the change in vacation. The employee shall present proof of any claim of financial loss.

SECTION 16. PAID SICK LEAVE

16.1 Eligibility. Any regular employee who, because of illness or injury not compensable under the State Workers' Compensation Law, is prevented from working shall be entitled to paid sick leave in accordance with the provisions of this Section.

16.2 Accumulation

- (a) Regular Full-Time Employees. Each regular full-time employee shall accumulate 3.70 hours of sick leave for each pay period of employment up to a maximum of one hundred (100) days (800) hours.
- (b) Regular Part-Time Employees. Regular part-time employees shall accumulate prorated sick leave credit based on their actual hours paid to a maximum of two hundred and sixteen (216) times their current pay period accrual rate.

16.3 Pay During Sick Leave. A regular employee shall not be eligible for sick leave pay until after the completion of three (3) months of service. Sick leave shall commence with the first day of illness or injury.

Sick leave shall be paid at the employee's regular straight time rate for those hours the employee would have worked except for the illness, but not to exceed twelve (12) hours a day or forty (40) hours per workweek.

16.4 Overtime Computation. Sick leave, whether paid or not, shall not be counted as time worked for purposes of computing overtime or premium pay.

16.5 Employee Notice. An employee absent on sick leave shall notify the Employer of the employee's pending absence at least two (2) hours prior to the day shift or at least three (3) hours prior to the night shift. An employee not fulfilling the requirements of this subsection will not receive sick leave pay. Employees who cannot give the Employer a specific return date shall keep the Employer apprised of their status on a regular basis at times established by the Employer.

16.6 Certification of Illness or Injury. The Employer may require certification by a licensed physician, dentist, nurse practitioner in clinical practice, or certified nurse midwife that the employee's absence from work was caused by a bona fide illness or injury justifying the employee's absence before sick leave shall be payable. If an employee is required to submit certification for an absence, then such certification must be obtained from the first day of the employee's disability. The Employer may not require medical certification after an employee is well and ready to return to work. Abuse of this section by the employee is just cause for discharge.

16.7 Workers' Compensation. A regular employee absent from work due to a work-related injury or illness may request sick leave pay to be integrated with Workers' Compensation benefits so that the employee receives the equivalent of regular pay for those days for which the employee is entitled to receive Workers' Compensation payments.

16.8 Temporary Disability Insurance

- (a) TDI Plan. The Employer will provide a Temporary Disability Insurance Plan to all employees covered by this Agreement. Benefits will become payable immediately after employees exhaust their sick leave, but shall not commence before the eighth (8th) day of disability, and shall continue for twenty-six (26) weeks with a maximum of twenty-six (26) weeks in a benefit year. Employees shall receive fifty-eight percent (58%) of weekly earnings but not more than provided by the Hawaii Temporary Disability Insurance Law. The TDI plan shall be contributory for employees.
- (b) Pregnancy Related Disabilities. Disabilities caused or contributed to by pregnancy, miscarriage, abortion, childbirth and recovery therefrom shall be, for all job related purposes, temporary disabilities. Employees must be certified by a physician or advance practice registered nurse upon commencement and termination of disability.
- (c) Vacation Pay Integration. An employee may request vacation pay to be integrated with TDI benefits so that the employee receives the equivalent of regular pay for those days for which the employee is entitled to receive TDI payments. However, the employee will still be considered to be on TDI status and not on vacation status.

16.9 Light Duty. The Employer shall accommodate employees cleared to work, but on a reduced basis, to the extent required by the applicable laws (i.e. Americans With Disabilities, Workers' Compensation statutes, etc.)

SECTION 17. LEAVES OF ABSENCE WITHOUT PAY

17.1 Family & Medical Leave & Medical Disability Leave

a) Family & Medical Leave. In compliance with the provisions of the Family and Medical Leave Act:

- (3) Purpose. For the care of a newborn or newly adopted child, family member's serious illness or the employee's own serious health condition (as provided in the Federal Family and Medical Leave Act) not to exceed twelve (12) weeks.

(b) When Family & Medical Leave is taken for an employee's serious health condition, and the condition exceeds twelve (12) weeks, such employee shall be placed on a Medical Disability Leave in accordance with section 17.1(c), except the maximum allowable time off under such Medical Disability Leave shall be reduced by the length of time the employee spent on Family & Medical Leave. Employees taking Family & Medical Leave for their own serious health condition shall be required to take sick leave. If the leave is for reasons other than the employee's serious health condition, the employee shall be required to take accumulated vacation, to the extent available, for the duration of the leave. Employees who exhaust Family & Medical Leave for a reason other than their own serious health condition and who want additional time off must apply for Personal Leave in accordance with section 17.2(a), except the maximum allowable time off under such Personal Leave shall be reduced by the length of time the employee spent on Family & Medical Leave.

(c) Medical Disability Leave. After completion of the probationary period or the exhaustion of Family & Medical Leave, not to exceed one (1) year from the date of disability. Medical Disability Leaves may be extended for up to one (1) additional year (total of twenty-four [24] months from the date of disability. The maximum time allowed shall be reduced by the length of time spent on Family & Medical Leave.) Employees who are on TDI or Workers' Compensation shall, upon exhaustion of Family & Medical Leave, be placed on a Medical Disability Leave, if eligible. Employees who are on Family & Medical Leave and/or Medical Disability Leaves for maternity-related disabilities and who want additional time off beyond their disability period must apply for Personal Leaves for the period of time exceeding the maximum time allowed on Family & Medical Leave. Additional time off under personal leave shall be in accordance with sections 17.2(a), except the maximum allowable time off under such Personal Leave shall be reduced by the length of time the employee spent on Family & Medical Leave.

- (1) If an employee takes a Medical Disability Leave, returns to work and returns to Medical Disability Leave within ninety (90) days, the leave is treated as one continuous leave subject to the maximum limit. If an employee takes a Medical Disability Leave, returns to work for a period of at least ninety (90) days, then returns to medical leave of absence status, the leave is treated as a new leave of absence subject to the maximum limit.

17.2 Personal, Educational, Emergency, and Union Business Leaves. An employee upon written request may be granted a leave of absence without pay for the reasons and maximums listed below:

- (a) Personal. After one (1) continuous year of employment (as defined in Section 13, Continuous Service Defined), not to exceed six (6) months for reasons not covered under Family & Medical Leave. Employees on Personal Leave shall be required to take their accumulated vacation but may save one (1) week.
- (b) Educational. After one (1) continuous year of employment (as defined in Section 13, Continuous Service Defined), for one (1) year or the length of the course's term (whichever is less) for courses related to their job, a higher rated job, or a course requirement in a program of study leading to a work-related certification, license or degree. When such a course is a Master's or B.S. program, the leave may be extended to two (2) years. An employee shall not be required to take accumulated vacation for educational leaves.
- (c) Emergency. After completion of thirty (30) calendar days of employment, not to exceed four (4) calendar weeks for reasons not covered under Family & Medical Leave. An employee shall not be required to take accumulated vacation for emergency leaves.
- (d) Union Business. After one (1) continuous year of employment (as defined in Section 13, Continuous Service Defined), not to exceed one (1) year; as long as the number of employees absent for union business does not impose an unreasonable burden on the employer. An employee shall not be required to take accumulated vacation for union business leaves.

17.3 Reinstatement From Leave

- (a) Upon return from a Leave of Absence within the approved time limits, but no longer than one (1) year, the employee shall be reinstated to his/her former regular position. If conditions have so changed that it would be unreasonable to reinstate the employee in the same position, the Employer will reinstate the employee in a position as nearly comparable to the employee's original position as is reasonable under the circumstances. Employees on approved leaves exceeding one (1) year (Medical Disability or Educational) shall have reinstatement rights to the first available covered HNHP bargaining unit opening for which the employee is qualified.
- (b) Waiver of Posting Requirements. In the event an employee is on a Medical Disability Leave and such employee is cleared for work but not for the employee's normal duties, the parties agree to review such situation on a case by case basis. There may be times when there are

suitable openings for such employees in jobs which normally are required to be placed for bid under the provisions of the agreement. In such instances, the parties agree that they may waive such posting requirements and place the employee who is on the Medical Disability Leave in such position.

17.4 Benefits During Leave

- (a) Family & Medical Leave. In compliance with the Act the Employer shall continue the employee's medical and dental coverage on the same basis as if the employee had been working.
- (b) Medical Disability Leave. For employees who are not eligible for Family & Medical Leave but are eligible for Medical Disability Leave, the Employer shall continue the employee's medical coverage on the same basis as if the employee had been working, not to exceed three (3) months from the date of disability.
- (c) Except as specified above, it shall be the employee's responsibility to make advance arrangements if the employee intends to retain and continue health plan and/or other insured benefits (at the employee's expense) during such leave.

17.5 Leave Requests. Employees requesting leaves of absence shall request such leaves in writing at least thirty (30) days prior to the date requested (except for emergencies, unforeseen Family & Medical Leaves and unforeseen medical disabilities) and specify the date of return to work. The date of return may be changed by mutual agreement. Failure to return at the expiration of an authorized leave shall be considered a resignation. Employees who wish to return to work prior to the expiration of their authorized leave may do so only if approved by the Employer. If a leave request is denied, the employee may request the reasons for the denial in writing.

17.6 Purpose of Leave. Employees granted leaves of absence shall utilize such leaves only for the purposes for which the leaves were approved, except that employees may apply for and be granted paid professional development leave during the time the employee is on an unpaid leave of absence, subject to the conditions of Section 21.2 Procedure (j). Employees who desire to work for the Employer on a part-time or call-in basis will be afforded the opportunity to do so (if such work is available) and shall retain their regular hourly rate of pay for such work. Employees who wish to perform work for other employers may do so only upon the approval of the Employer. Work for other employers may be approved as long as such work does not alter the basic purpose of the leave as originally approved by the Employer.

17.7 Military Leave. The Employer will grant military leave of absence to bargaining unit employees who must perform military service in accordance with the law.

Eligibility and payment for bereavement leave will be in accordance with the provisions of the applicable Human Resources policy in effects as of the date of this agreement. See applicable Bereavement Leave Policy dated 12/12/2019. Per Section 3.2 of that Policy, unscheduled employees qualifying for other benefits shall also be eligible for Bereavement leave under that Policy.

- (b) Night Shift Employees. It is also understood that if night shift employees serve on a jury on a workday but at a time outside of the employee's normally scheduled work shift and such service exceeds four (4) hours, the employee shall not be required to report to the employee's normally scheduled shift and will be paid in accordance with the provisions of paragraph (a). Employees must, however, give the Employer as much advance notice as is given them in regards to the requirements of the jury service.
- (c) Witness Duty. Any employee who is required to serve as a witness on behalf of the Employer in any judicial or arbitration proceeding shall have such time considered time worked and compensated for under the provisions of this Agreement.
- (d) Scheduling Beyond One (1) Week of Jury Duty. Due to the great variations in work schedules, it is impossible to cover every permutation of work schedules and jury duty. The intent of this provision is to allow employees to discharge their civic responsibilities without suffering loss of pay from what they would have earned absent the jury duty or ending up with a combination of work schedule and jury service which is clearly worse than what the employee would have worked absent the jury duty. After the first week of jury duty, the Employer shall change the employee's work shift to coincide with the jury service.
- (e) Overtime or Premium Pay Computation. Time spent on jury duty shall not count as hours worked for the purpose of computing overtime or premium pay.

Prior to implementing such a change, the Employer shall notify the Union sixty (60) days in advance and inform the Union of the contemplated changes in order to allow the Union to inspect the new plan to ensure that the overall benefits to the employees are being maintained. In the event the Union can substantiate that the new plan is not equal to or better than the present plan on an overall benefit basis, the Union shall have the right, within sixty (60) days of being informed of the Employer's plan to change the medical and/or dental plans, to demand arbitration in accordance with the provisions of Section 29.2(h), Step 4 (Arbitration). It is understood that activities including conducting respiratory therapy research and presenting research findings or papers and other speaking engagements at professional conferences shall be encompassed within approved educational activities under this Section.
- (c) Minimum Length. The educational activity must be scheduled for at least four (4) hours in order to be approved for professional development leave.
- (d) Approval. The educational activity must be approved by management within thirty (30) days of request.
- (e) Scheduling. Each day of professional development leave must be taken at one time (professional development leave cannot be taken in increments of hours). - (f) Professional development leave will be considered the same as time worked.
- (g) Professional development leave will be granted for approved educational activities as requested whenever possible, consistent with operating requirements.
- (h) Carry-Overs. Professional development leave is not accrued from year to year, except that if the Employer cancels or denies a request for professional development leave submitted in accordance with these provisions in the last calendar quarter of a year and does not approve a request for such leave in the remainder of the year, the employee will be allowed to carry over the same amount of canceled/denied time into the first quarter of the next year (to be added to the employee's paid professional development leave for that year).
- (i) Documentation. The employee is required to provide appropriate documentation of attendance at the approved educational activity.
- (j) Leaves of Absence. Employees on unpaid leaves of absence may apply and be granted professional development leave in accordance with the provisions of this Section. Such employees must return to work at the end of their unpaid leave and work thirty (30) calendar days prior to applying for payment of the professional development leave. Employees receiving TDI or Workers' Compensation benefits may integrate paid professional development leave to supplement TDI or Workers' Compensation benefits so that the employee receives the

21.3 Credits. The employer will utilize the approved method to credit employees for appropriate required and voluntary in-service.

21.4 CPR Certification / Other Advanced Certifications. Employer will pay for the CPR recertifications for employees within those classifications having a CPR requirement to perform their job duties. Instead, employees should work with their local management to ensure that they do not incur out of pocket costs for completion of recertification of CPR.

For other job required advanced certifications, employees may continue to utilize the tuition reimbursement process for out of pocket expenses as provided for under that policy. Should employees reach their maximum reimbursable amount at the end of the year and are unable to file for tuition reimbursement for eligible expenses, their department will reimburse the expenses incurred to obtain the advanced certification. They may also continue to use education leave to attend such courses following the appropriate approval for the time off from work.

The Employer intends and shall to the extent possible provide training, time, and materials to meet mandatory certification requirements and/or re-certification requirements. In the event the Employer arranges the training to be provided off-site rather than in-house, the Employer will pay training fees and time. The Employer will not pay training fees or time when the training is offered in-house and the RT elects to attend an outside program.

a temporary or permanent basis), the Employer shall notify the union as soon as possible but prior to instituting such action. The Employer shall meet with the Union upon request, to discuss such action and implementation of the plan.

(e) Recall from Layoff

- (1) Employees are eligible for recall within 180 days from the time of layoff.
- (2) Recall Order. In the event a recalled employee is not qualified for the position to which s/he is recalled, the employee shall retain his/her position on the recall roster until recalled to a position for which s/he is qualified.
- (3) Extended Layoff. In recalling the laid-off employee, the Employer shall notify the employee by telephone or electronic mail (if employee desires), or if unable to contact the employee by telephone or electronic mail, by certified letter to the address last given to the Employer by the employee. The Employer shall also provide the Union with a list of recalled employees. It shall be the responsibility of the employee to keep the Employer and the union informed in writing of the employee's current address, electronic mail address, and telephone number. Employees who fail to return to work within one (1) calendar week (unless other arrangements are mutually agreed to by the Employer and employee) from the time of receipt by the Union of the list of recalled employees shall be considered terminated.

- (f) Elimination of Positions. An employee whose position has been eliminated will be provided 45 days notice prior to the position elimination date. In the event the employee applies for a bargaining unit position, is transferred back into the bargaining unit or the employee elects to transfer back into the bargaining unit during the five (5) year period, such employee shall apply/bid for bargaining positions/shifts/assignments as bargaining unit members and shall be considered hired, and/or reinstated in the bargaining unit without any losses of bargaining unit seniority (the employee shall retain all seniority earned prior to the transfer but shall not accumulate seniority for the period of time spent outside the bargaining unit, the employee shall be treated as a new hire for the purpose of start rates and bargaining unit seniority except that if such employee has twelve (12) months or more experience (as defined in Exhibit "A"), shall receive preference over applicants who are not members of any of the Union's bargaining units, and the employee shall be paid at the job rate appropriate for his/her experience. In any case of discipline where the arbitrator finds that such discipline was without cause or improper, the arbitrator may set aside, reduce or modify the action taken by the Employer. If the discipline is set aside, reduced or otherwise changed, the arbitrator may award back pay to compensate the employee wholly or partially for any wages lost because of the discipline. In determining the amount of award for back pay, the arbitrator shall deduct from the award sums received from unemployment compensation and other compensation received while the discipline was in effect. EXHIBIT B1: AUTHORIZATION AND ASSIGNMENT OF WAGES FOR PAYMENT OF UNION SERVICE FEES

I, _____, an employee of KAISER FOUNDATION HOSPITALS or KAISER FOUNDATION HEALTH PLAN, INC. (my "Employer") voluntarily authorize Employer to:

- 1) Regularly deduct from my wages all monthly service fees payable to Hawaii Nurses and Healthcare Professionals ("Union") for its representational activities undertaken on my behalf (including but not limited to negotiating and administering collective bargaining agreements), to pay for monthly union service fees in amounts no greater than those monthly dues payable by Union members, as certified in writing by the Union, and
- 2) Remit to Union all such monies, pursuant to the effective terms of this Authorization and Assignment and the terms of the collective bargaining agreement to which Union and Employer are or have been signatories to (the "CBA").

Service Fees: Employer shall deduct my service fee payments from my first paycheck in each month, starting with the first month or paycheck following my date of hire listed below (the "Hire Date"). I understand that annual or other wage increases could potentially increase the amount of services fees due and deducted (as a percentage of my wages) as determined by a majority vote of Union members eligible to vote on such matters.

Required Payments: I understand that, like all employees in my bargaining unit who do not join the Union (full-time, part-time, or otherwise) I must satisfy the above service fee payment requirement for every month during which I am employed by Employer, even if I do not work during any month or pay period and receive no paycheck. I understand that I still owe and must pay service fees for all such pay periods. If for any reason Employer misses required deductions from any of my paychecks, I authorize Employer to make all needed catch-up deductions in subsequent payroll period(s).

Duration and Termination: This Authorization and Assignment shall end if my employment with Employer ends but shall otherwise remain valid during the terms of all CBAs (ratified now or in the future) and:

- 1) Shall take effect on the Hire Date below,
- 2) Cannot be canceled until the earlier of: a. One year from the Hire Date, or b. Termination of the CBA;
- 3) Shall continue in full force and effect for successive yearly periods beyond the irrevocable period set in subsection 2 above and each subsequent yearly period shall be similarly irrevocable, or
- 4) Shall continue for the period of each succeeding CBA, whichever shall be shorter, unless: a. I cancel this authorization by written notice to Employer within fifteen (15) days after the expiration of any such one (1) year period; or b. The CBA expires during any such one (1) year period and I cancel this authorization by written notice to Employer within fifteen (15) days after expiration of the CBA.

EXHIBIT C: AUTHORIZATION AND ASSIGNMENT OF WAGES FOR CONTRIBUTION TO CHARITABLE FUNDS

I, _____, an employee of KAISER FOUNDATION HOSPITALS or KAISER FOUNDATION HEALTH PLAN, INC. (my "Employer") voluntarily authorize Employer to:

- 1) Regularly deduct from my wages a monthly fee in the same amount as Hawaii Nurses and Healthcare Professionals ("Union") dues, pursuant to the effective terms of this Authorization and Assignment and the terms of the collective bargaining agreement to which Union and Employer are or have been signatories to (the "CBA"), and
- 2) In accordance with the agreement between the Employer and the Union, to turn over all such monies to the following pre-approved charitable fund of my choice:

Check One Fund

- AMERICAN HEART ASSOCIATION
- LUPUS FOUNDATION OF AMERICA
- THE SUSAN G. KOMEN BREAST CANCER FOUNDATION
- AMERICAN CANCER SOCIETY
- MUSCULAR DYSTROPHY ASSOCIATION
- MAKE A WISH OF HAWAII INC.
- LIFE FOUNDATION

Required Payments: I understand that, like all employees in my bargaining unit who do not join the Union (full-time, part-time, or otherwise) I must satisfy the above charitable contribution required payments for every month during which I am employed by Employer, even if I do not work during any month or pay period and receive no paycheck. I understand that I still owe and must pay the required charitable contribution payments for all such pay periods. If for any reason Employer misses required deductions from any of my paychecks, I authorize Employer to make all needed catch-up deductions in subsequent payroll period(s).

Separate Approval for Accommodations: I understand that submission of this authorization form neither assures nor triggers approval of any written requests for accommodation under Section 4.1(b) of the CBA. I also understand that pursuant to the National Labor Relations Act, 29 USC § 169, if I ask the Union to use the grievance-arbitration procedures under the CBA on my behalf, the Union is authorized to charge me for the reasonable costs of such procedures.

Duration and Termination: This Authorization and Assignment shall end if my employment with Employer ends but shall otherwise remain valid during the terms of all CBAs (ratified now or in the future) and:

- 1) Shall take effect on the Hire Date below,
- 2) Cannot be canceled until the earlier of: One year from the Hire Date, or Termination of the CBA;
- 3) Shall continue in full force and effect for successive yearly periods beyond the irrevocable period set in subsection 2 above and each subsequent yearly period shall be similarly irrevocable, or
- 4) Shall continue for the period of each succeeding CBA, whichever shall be shorter, unless: a) I cancel this authorization by written notice to Employer within fifteen (15) days after the expiration of any such one (1) year period; or b) The CBA expires during any such one (1) year period and I cancel this authorization by written notice to Employer within fifteen (15) days after expiration of the CBA.

ADDENDUM I

AGENCY/CONTINGENT RESPIRATORY THERAPISTS

- A. The parties agree that to provide the most desirable level of patient care, a stable working staff is the mutual goal. Additionally, this should facilitate providing care to patients at an economical cost and provide the necessary balance in assignment of shifts.
- B. The Employer's policy shall be not to use agency/contingent respiratory therapists except in situations where no other reasonable means of providing necessary staffing are available.
- C. Agency/contingent respiratory therapists shall be used only as a supplement to and not in lieu of hospital respiratory therapists. Prior to utilizing an agency/contingent respiratory therapists attempts will be made to recruit and hire regular respiratory therapists.
- D. The employer shall make every attempt to ensure that there will not be increased assignment of any of its respiratory therapist staff to evening, holiday or weekend duty as a result of the use of agency/contingent respiratory therapist personnel.

ADDENDUM II

PRORATED BENEFITS AND COVERAGE UNDER THE AGREEMENT

A. Prorated Benefits

1. Part-time Employees

Part-time employees as defined in Section 3.5 of the Agreement shall receive one-half of the Employer's contribution to the Medical Plan under Section 19.1 and Dental Plan under Section 19.2. They shall receive prorated holiday pay or an additional day off with pay (prorated) only if they actually work on a holiday. They shall receive educational days in accordance with Section 21 of the Agreement. They shall not receive vacation, sick leave, pension, group life insurance and guarantee of weekends off (Except that they will be granted one out of four (4) weekends off if they so request).

2. Regular Part-Time Employees (Predetermined and Quarterly)—Medical and Dental Plans

Regular part-time employees as defined in Sections 3.3 and 3.4 of the Agreement shall receive the employer contribution to the Medical Plan under Section 19.1 and Dental Plan under Section 19.2 on the same basis as full-time employees. They shall receive educational days in accordance with Section 20, and shall receive all other benefits on a prorated basis.

3. Regular Part-time (Predetermined) Employees—Paid Time Off Benefits

(a) Regular part-time (predetermined) employees shall, upon hire, be given a "prorated benefit formula" based on their scheduled hours and shall earn prorated paid time off benefits based on such formula in accordance with the provisions of the Agreement. This proration formula shall continue for as long as they continue to work the same number of predetermined hours. If, during the course of employment, the number of predetermined hours is changed, the prorated benefit formula shall be adjusted at that time. However, when such employees complete a full payroll quarter, the number of hours paid shall be computed and in the event the number of hours paid exceeds the "prorated benefit formula," the employee shall be given credit for those additional hours to be used for calculating the paid time off accrual in the succeeding payroll quarter.

(b) In other words, if a regular part-time (predetermined) employee is hired for three (3) eight (8)-hour shifts per week, the employee's "prorated benefit formula" shall be .6. In the event the employee completes a payroll quarter in which the employee is paid for more than an average of three (3) days per week, the "prorated benefit formula" for the following payroll quarter shall be adjusted accordingly. In the event the employee is paid for less than an average of three (3) eight (8)-hour shifts per week, but is still classified as a regular part-time predetermined employee at three (3) eight (8)-hour shifts per week, the employee will continue to earn paid time off benefits as a minimum based on a .6 prorated benefit formula. If the employee does not fulfill the requirements of a regular part-time (predetermined) employee, the Employer shall change the employee's status to the appropriate level. It is clear that when such employees are on a leave of absence or other nonwork status, they shall not earn any benefits for the duration of such leave.

(This is the same as regular full-time employees.) However, upon return to work, they shall begin to earn paid time off benefits based on their "prorated benefit formula" (which in this case shall be .6) if such employees return and continue to work a predetermined three (3) eight (8)-hour per week schedule. Employees who are on ten (10)-hour and twelve (12)-hour shifts shall also be given a prorated benefit formula as long as they meet the regular part-time (predetermined) definition.

4. Regular Part-Time (Quarterly) Employees

Regular part-time (quarterly) employees shall, upon completion of a payroll quarter in which they are paid at least 260 hours, have their prorated benefit formula computed and shall earn paid time off benefits based on that formula during the next payroll quarter. Employees must continue to be paid for at least two hundred sixty (260) hours in each succeeding payroll quarter in order to maintain regular part-time (quarterly) status.

B. Coverage Under This Agreement

1. Regular Part-Time (Predetermined) and Part-Time Employees

Employees shall be covered under this Agreement immediately upon being hired and shall commence their probationary period.

2. Regular Part-Time (Quarterly) Employees

(a) Regular part-time (quarterly) employees shall be covered under this Agreement at the beginning of the payroll quarter following the payroll quarter in which they were paid for at least two hundred sixty (260) hours. At the same time as coverage begins, they shall commence their probationary period and shall have their experience credited in accordance with Exhibit "A." Regular part-time (quarterly) employees shall remain covered by this Agreement (and continue to receive prorated benefits) as long as they continue to be paid for at least two hundred sixty (260) hours in each payroll quarter. Failure to be paid for two hundred sixty (260) hours will result in a change in employment status as outlined below. In the event a regular part-time (quarterly) employee transfers into a temporary position, the employee will continue to receive prorated benefits as long as the employee retains regular part-time (quarterly) status and is paid for at least two hundred sixty (260) hours in a payroll quarter.

(b) The term "paid" for the purposes of Section 3.4 shall mean payment actually received during a payroll quarter for hours worked, sick leave, vacation, holidays, jury duty, funeral leave and paid educational leave but shall not include payment under TDI or Workers' Compensation.

(c) Notwithstanding the provisions of Exhibit "A," employees who are hired from Kapiolani Medical Center for Women and Children, Kuakini Medical Center, The Queen's Medical Center and St. Francis Medical Center or change their status from non-covered to covered, shall be placed in the appropriate start rate as follows:

ADDENDUM II

PRORATED BENEFITS AND COVERAGE UNDER THE AGREEMENT (continued)

Page 3

An employee shall be given credit for any quarter for which an employee is paid for 260 hours or more. Therefore, all quarters for which the employee is paid 260 hours or more shall be added and shall count toward the level of experience. Such quarters need not be consecutive to be counted but only quarters credited within the immediately preceding five (5) years shall be counted.

C. Change In Status

1. Covered Status To Uncovered Status

The employee shall cease earning all benefits under the Agreement, vacation pay (if any) will be paid off, seniority is lost and continuous service is terminated. The employee will lose all continuous service and will have to start earning continuous service as a new employee if the employee achieves covered status again. All employees, who lose coverage under this Agreement but do not have a break in employment with the Employer from the time they lose coverage to the time they are once again covered by this Agreement, shall not be required to complete a new probationary period but their seniority shall commence on the date their most current coverage begins except as provided for in Section 24.5.

2. Regular Full-Time or Regular Part-Time Status to Part-Time Status

(a) The employee shall cease earning all benefits under the Agreement except those covered in Section A.1. of this Addendum; vacation pay (if any) will be paid off; seniority shall continue but continuous service is terminated. The employee will lose all continuous service and will have to start earning continuous service as a new employee if the employee achieves regular full-time or regular part-time status again.

(b) Exception. If a regular full-time or regular part-time (predetermined) employee changes status to part-time and the employee continues to be paid for at least two hundred sixty (260) hours in the succeeding payroll quarter (to qualify as a part-time [quarterly]), the employee shall be considered to have worked continuously, and there shall be no break in continuous service and seniority.

3. Regular Part-Time (Quarterly) Employees Who Fail To Be Paid For Two Hundred Sixty Hours In A Payroll Quarter

Failure to be paid for two hundred sixty (260) hours will result in an employee no longer being covered by this Agreement, and the provision of C.1. Covered Status To Uncovered Status will apply. Such employees shall once again become covered and eligible for prorated benefits by again being paid for at least two hundred sixty (260) hours in a payroll quarter.
