Instructions: Mix one level spoon of dry mask with one egg white and beat til frothy, or mix with two teaspoons of honey til blended. Apply to face with included brush. Allow to dry for 10-30 min. Remove with a warm damp cloth or alternatively wash the face.

Ingredients:

Zhen Zhu (Pearl Powder) has been used as a beauty treatment in China for centuries to brighten the complexion, even out blotchy or discolored skin, and to encourage the healing of burns and wounds. Pearl powder contains an antioxidant that boosts the efficacy of superoxide dismutase, one of the strongest antioxidant enzymes in the body. Pearl powder contains signal proteins that stimulate the regeneration of collagen. Pearl powder is rich in amino acids and more than 30 trace minerals to support health.

Mu Li (Oyster Shell) is cooling and astringent.

Sang Ji contains an important bioflavinoid called quercetin, which not only prevents spider and varicose veins, but also addresses eczema and psoriasis.

Hua Shi is antibacterial, treats skin lesions, and absorbs toxins.

Ren Shen hydrates and lifts sagging skin.

French White Clay absorbs toxins from the skin, improves lymph flow, stimulates circulation, and delivers trace minerals absorbed through the skin into the bloodstream. It is high in silica, which is essential for all healing processes in the body, treats dermatological issues such as eczema and psoriasis, and improves the quality and tone of the complexion.

Acerola aids collagen production because of it's high vitamin C content. Acerola acts as an astringent. The bioflavonoids found in acerola play a key part in delaying the signs of skin aging. It moisturizes, tones, firms and protects the skin from capillary fragility and sun damage.

Green Tea fights skin cancer by promoting DNA repair. Green tea contains a powerful antioxidant called EGCG that fights DNA damage from UV rays to prevent skin cancer. The catechins in green tea reduce irritation, redness, and swelling.
