

WHICKHAM FELLSIDE YOUTH FOOTBALL CLUB

Payment of Subscription Fees and Leave Policy

New season is effective 1st June, yearly.

All members must have a prior record with the FA on Whole Game System and proceed using their associated FAN number.

The club will provide by invite to register via a Club registration system, with an associated payment plan, which includes a yearly member subscription fee. This fee is payable in one lump sum or can be collected with a monthly payment amount over a set time period in accordance to the plan offered by the club for the applicable season.

There is no other payment option available.

“Training only” fees are half price with same options as above for monthly payments available.

The Club may offer a Sibling discount scheme for those parents with one or more members registered to the Club in the same season.

In the case of a family in financial hardship/difficulties, the Registration Secretary will agree a payment plan with the parent/guardian to suit their situation. These will be dealt with on a case-by-case basis.

Failing to pay the outstanding subscription will result in the player being asked to stop participation in Club activities, and will be deregistered from the relevant leagues. Failure to resolve any outstanding payments within 30 days, the Player will be detached from the Club and cannot re-join the remainder of the current season. The player can only re-join for the next season if outstanding subscriptions from the previous session that were missed, are paid. The club also reserve the right to reject any transfer requests from other clubs until outstanding payments have been made in full.

NB: If a player voluntarily decides to leave the club part way through the subscription year, any future subscription payments for the year must be made in full, along with full kit returned to the Team manager, before the club can release registration with the FA.

Any disputes will be passed to the Executive Committee for review and final decision.

If a player wishes to leave the club, they may request this from the same Club registration system or via the registrations secretary, Steve Franklin (registrations@whickhamfellsideyfc.co.uk) and club secretary, James Alder (secretary@whickhamfellsideyfc.co.uk) must be informed via email via the parent/carer or the team manager.

By registering as a club member, the said member acknowledges and will ensure payments will be made in accordance with the plan schedule chosen upon registration. Any missing or late payments will result in the member being suspended until such time relevant payment(s) are made. If a player leaves voluntarily, the full annual subscription amount is due before a player can be released.
