

## **IDOC Members Save BIG on Credit Card Processing!!**

As the preferred payment processing partner of IDOC Since 2010, benefit from the tremendous savings our exclusive program has to offer.

- Mirai Gateway
- Wireless Terminal: one-time, recurring and installment billing features included
- Contactless Payments: ApplePay® / Google Pay® / Samsung Pay®
- Hosted Payment Page (HPP)
- Discounted Supplies
- Additional wireless devices available for \$35 per month with no fixed term

It's easy to get started. Print out this page, complete the information below, and provide a recent merchant processing statement for review. Within 24-48 hours, you will know exactly how much you will save by utilizing the Mirai platform. On average, members save \$2,400 annually!

**If you are interested in a simple and easy to understand cost savings analysis from a preferred vendor with proven results, please provide the following information:**
