

Georgia Smile

The day is brighter, the sun is higher
And the morning moon winks back at me that way
As if to let me know, don't have to tell me so
Mr. Moon I feel quite happy this day

Well I want to sigh, when I look in her eyes
She touches me way down deep inside
Her spirit moves me, can't keep it to myself
I've got this silly grin that goes from side to side.

The skies are bluer, when her Georgia Smile
Is aimed at me so sweet, she's outdone pumpkin pie
The sparkle from the sun, you better hide your head and run
Cause you can't outshine a light that's from inside

The day is brighter, the sun is higher
And the dancing breeze whispers in my ear
They want to tell me, don't have to sell me
She's the one I love and that is clear

The skies are bluer, when her Georgia Smile
Is aimed at me so sweet, she's outdone pumpkin pie
The sparkle from the sun, you better hide your head and run
Cause you can't outshine a light that's from inside
