

# Mystified

I'll tell you story  
Make you wonder why  
He laid it out there  
He made us mystified

He came to call us  
To a so much better way  
We're such a big mess  
I'm so glad he had a say

Because I'm Mystified  
Because I'm Mystified

He spoke the truth  
To the good and bad  
He gave his all  
I'm so very, very glad

Because I'm Mystified  
Because I'm Mystified
