Professional Profile

I am a motivated and enthusiastic first-year Sports Management student with a keen interest in the business and operational aspects of sports organizations. Experienced in various departments such as marketing, commercial, ticketing, and community engagement through work placement at Derby County Football Club. I possess different skills which are vital in a working environment like good teamwork, communication, and problem-solving skills.

Core Skills

- Leadership & Decision Making
- Time Management & Organizational Skills
- Strong Communication & Teamwork
