

Las Campanas Community Funds

## TOGETHER WE MADE A DIFFERENCE

# \$500,000 Granted to Santa Fe Nonprofits!

To you, our donors, the Heroes of Las Campanas Community Funds, we say THANK YOU!

Because of YOUR GENEROUS SUPPORT, Las Campanas Community Funds (LCCF) awarded \$500,000 to 34 Santa Fe nonprofits, expanding our goal, the reach and impact of LCCF beyond our wildest expectations!

Your resounding response to the holiday grants appeal brought in \$400,000 for our first distribution of 29 grants to our agencies. Of this amount, members designated \$120,000 to specific organizations.

The New Year brought in additional funding to our appeal. Review of LCCF’s 2021 invested reserves were strong. And the challenges of Covid and the Omicron variant became even stronger.

Therefore, the LCCF Board came together in a special session and made the decision to give an additional \$100,000 in grants. With the assistance of Santa Fe Community Foundation, we put most of these dollars toward the community’s most critical need—the homeless population. Additional grants went to five of our original agencies and five new organizations were added to the list to receive support in this “second wave” of January funding.

YOU have helped make Santa Fe stronger with an **unprecedented \$500,000 in grants to 34 Santa Fe nonprofits**. Your support humbles us all. You are truly our heroes and honor roll. Thank you for bringing the spirit of Las Campanas to life!

***"Your grant will help us continue to respond to the unprecedented challenges of these times as so many worried parents and struggling youth reach out for help and support. The wave of mental health concerns amplified by social isolation, loss of hope, school challenges and increased family conflict, experienced by so many in our community, has been felt at The Sky Center across all of our programs."*** The Sky Center
