2021 SCHOLARSHIP CLASSIC AND EMPLOYEE APPRECIATION DAY

Over \$336,500 Raised!

SINCERE THANKS FOR YOUR SUPPORT

From the LCCF Scholarship Fund Chair

Thank you for your support of the 2021 Scholarship Classic and your belief in the power of education to transform lives.

This Classic was a record setting year with more dollars raised and more donors stepping forward. And every branch of Las Campanas came forward, uniting as a family to support our family of employees and their families.

More than **170** employees and members took part in the day's events, enjoying golf, equestrian trail rides, pickleball and tennis; and that's not including the many who lunched at the Hacienda, Spa & Fitness Café and Equestrian Center.

And You, the members at Las Campanas, came forward, opening your hearts and wallets to RAISE MORE THAN DOUBLE the Classic's 2021 goal with a life-changing tally of **\$336,500**. And donations are still coming in!

Not only did dollars increase but we met **111** new donors, growing our LCCF donor family by 64%. And of the **284** members donating to the Scholarship Classic, 78% contributed \$1,000 or more.

This incredible growth and success does not happen without a dedicated team. Please take note of the volunteers highlighted on the following pages. These individuals truly represent the spirit of Las Campanas.

Education opens the door to a greater life. Thank you for coming together to make this dream a reality for so many of our Las Campanas staff and their families.

With Great Honor, I thank you on behalf of our deserving scholarship recipients and LCCF.

June 7, 2021 will go down in Las Campanas Club history. An incredible day celebrating our employees who are simply THE BEST.

Every area of your vibrant and beautiful club was a bevy of activity... Golfers embracing the day, Racquet enthusiasts filling the courts, Riders on Horseback exploring trails across Las Campanas' awe-inspiring vistas. Friendships new and old visited across lunch tables after a year of lockdowns.

And a day celebrating more than \$336,500 members raised to deliver the dream of education, opening the door to a greater life, for many of our dedicated employees and their families.

Since the Scholarship Fund's inception in 2014, almost every one of the 311 Scholarships have been awarded to recipients who are first-generation college students. Funds also support technical school tuition.

The Scholarship Fund has recently added an exciting new component with Teen Savings Accounts (TSA) for employees' children. The TSA fund supports college savings accounts for teens currently attending high school, creating a pathway to higher education and financial stability.

Our Scholarship Fund is nationally known and allows Las Campanas to attract the best, the brightest, the most dedicated employees in the industry.

Our employees strive to deliver their very best to you every day. You, in turn, have stepped up to deliver the greatest scholarship opportunities for Las Campanas employees and their families.

Thank you for Las Campanas Community Funds' foresight back in 2014 and your support of the Scholarship Fund. Your generosity truly brings the spirit of Las Campanas alive.

With Gratitude,

Al Antonez

LAS CAMPANAS COMMUNITY FUNDS

Page 8 | 2021 Scholarship Classic

Inward to Employees with Scholarships Outward to Santa Fe with Community Grants

Since 2002, the members of The Club at Las Campanas have recognized the importance of balancing support to non-profit organizations serving Santa Fe with the need to invest in the future of our employees.

The Las Campanas Community Funds (LCCF) supports:

- **Community Grants** helping people in need and supporting the quality of life in Santa Fe
- **Scholarships** for Las Campanas employees and their families.

Las Campanas member donations and planned gifts, earned interest from the funds' corpus and fundraising activities such as the annual Scholarship Classic and Las Campanas Art Auction, support LCCF's two areas of giving.

LCCF is an independent, donor-directed funding program of the Santa Fe Community Foundation (SFCF). As a donor-directed fund, LCCF utilizes the financial and grants administrative services at SFCF. The LCCF Committee, with annual member input, makes all grant and scholarship decisions independently.

LCCF receives no revenue from The Club at Las Campanas, has no paid staff and is managed by a volunteer committee comprised of Las Campanas members. All donations to LCCF are fully tax deductible.
