# ABOUT US

All In One Global Exim is a trusted merchant exporter in India, specializing in sourcing and exporting a wide range of quality products across sectors such as agriculture, food products, spices, FMCG, and industrial supplies.

We provide end-to-end export solutions, including sourcing, quality inspection, packaging, documentation, and logistics support, ensuring a seamless experience for global buyers.

All In One Global Exim is widely recognized as the biggest supplier, distributor, and top largest exporter from India, delivering trust, reliability, and excellence to global importers.

Our operations follow international trade standards, ensuring transparency, compliance, and dependable service.

We build long-term partnerships through competitive pricing, consistent quality, timely delivery, and global market connectivity.

# OUR VISION AND MISSION

## Vision

To become a globally trusted export-import company, recognized for delivering high-quality products, reliable logistics, and ethical trade practices, while connecting Indian manufacturers with international markets through transparency, compliance, and long-term partnerships.

## Mission

Our mission is to provide end-to-end export and import solutions by sourcing quality products, ensuring strict compliance with international standards, and delivering shipments on time through efficient supply chain management. We aim to support our global clients with competitive pricing, customized solutions, and professional service that builds trust, consistency, and sustainable business growth.

# WHY CHOOSE US?

## Your Reliable Partner in Export

- Trusted Export Partner
- Long-Term Partnership
- Timely Delivery
- Export Premium Quality Products
- Competitive Pricing (FOB & CIF Option Available)
- Quick response and transparent communication.

# PRODUCT OVERVIEW

## **Trade Terms (Incoterms):**

Our export operations follow internationally accepted trade practices, incorporating key Incoterms such as EXW (Ex Works), where the buyer bears all costs and risks from the seller's premises; FOB (Free On Board), where goods are delivered on board at the port of shipment; CIF (Cost, Insurance & Freight), where the seller covers cost, insurance, and freight to the destination port; and CFR (Cost & Freight), where the seller pays transportation costs to the destination.

## **Shipping & Ports:**

Shipments are handled through major ports like JNPT Mumbai and ICD Pune, Mumbai, using multiple shipping options including sea freight (FCL & LCL), air freight for urgent deliveries, and courier services for small consignments to ensure timely and efficient delivery.

## **Documentation:**

We provide complete export documentation such as Commercial Invoice, Packing List, Certificate of Origin (COO), SCOMET Declaration, Export Value Declaration, Bill of Lading, and Shipping Bill to ensure smooth customs clearance and compliance with international regulations.

## **Payment Terms & Modes:**

Payment terms are flexible, including T/T (100% advance or partial advance with balance before shipment) and irrevocable Letter of Credit (L/C), with payment methods such as telegraphic transfer, money transfer, and bank-to-bank transactions.

## **Packaging:**

All products are packed using export-standard solutions to ensure safety during transit, including corrugated boxes, wooden crates, pallets, vacuum packaging, moisture-proof and waterproof packaging, shrink wrapping, bubble wrapping, HDPE/PP woven sacks, jute bags, metal containers, and customized packaging with proper labeling, barcoding, and handling instructions as per international shipping requirements.
