

To Whom It May Concern:

My name is Joshua Dixon Store Manager for Rogers & Hollands and it is my pleasure to recommend Ashley Gartner with highest regard to your company.

I have been with Rogers & Hollands many years and have seen and hired all types of individuals. Ashley is one of those professionals I have worked with that truly stands out. A voice of encouragement and reason in a chaotic sales environment made her one of the best Office Managers I have ever had. Among her many talents my company awarded her Office manager of the year in 2020 for her outstanding guest service and hard work. Additionally, her attention to detail always scored our store in the top 5% religiously for gross repair and loss prevention margin. The dedication and drive she showed to work for her Masters while working in a high stress environment and keep everything organized and on time is forever impressive.

Ashley would make a tremendous asset to your organization and has my full recommendation. Should you have questions please feel free to contact me by phone or email.

Sincerely,
