

SAGE DA OFFICIAL

I am not what I survived — I am what I chose to become.

-Jasmine Carrillo

STAGE PRESENCE THAT MOVES CROWDS

Sage is known locally as a certified live performer.

Not a “stand and rap” artist.

Not a playback artist.

A full-energy, crowd-interactive performer who:

- Controls the room within minutes
- Engages audiences in call-and-response
- Transitions seamlessly between hype anthems and emotionally driven records
- Leaves hosts asking when she's coming back

Her sets are structured, rehearsed, and impactful.

INDUSTRY-READY. NOT INDUSTRY-DEPENDENT.

She has built strong relationships with DJs, radio platforms, and curators — earning spins, stage time, and return bookings through performance power alone.

Her music has reached streaming radio audiences and live event circuits without relying on gimmicks.

She earns rooms.

CULTURE PRESENCE

Sage has been featured in:

- High-profile fashion week events
- Music summits and curated showcases
- Exclusive private parties
- Brand-aligned nightlife experiences

She is well-known locally and increasingly requested outside her home market.
