What would YOU most like to see the WBA accomplish this year? _____

We welcome every member's input. Please add any comments or suggestions you have:

Committees:

Economic Development Committee – To keep the WBA members informed and up-to-date on economic initiatives in our community; to inform WBA members of possible board openings in the city of county government.

Education Committee – To promote and help support education, particularly the city's Westside neighborhood schools; to organize a small business center for the purpose of supporting those existing or start-up businesses on the city's Westside; etc.

Community Outreach – To provide networking opportunities for our members and vehicle for small businesses to "highlight" their businesses; create other outreach opportunities to create awareness of WBA within the Westside business community.

Membership Committee – To maintain and increase membership of the WBA through promoting and stimulating membership at various events; responsible for monthly member networking breakfasts; schedule speakers and sponsors for each meeting; etc.

Revitalization Committee – To exchange the community and businesses on the city's Westside.

By-Laws Committee – To review the By-Laws annually each year.

Mission:

**The Westside Business Association supports
And promotes the economic, educational
Development and cultural history of the
City with emphasis on the Westside**
