Candidate Bio

I have worked for 32 years at Eli Lilly in Indianapolis and lived in West 86th for 26 years. Throughout this time, I have witnessed our HOA's exemplary management of our community. Although I wanted to get involved earlier, I couldn't find the time. Three years ago, I finally took the step to volunteer for the Board, feeling it was my turn to contribute to our community. In my first two years on the Board, I served as the Development Director, collaborating with neighbors to ensure improvements aligned with our covenants. Last year, I transitioned to the role of Treasurer, where I worked diligently to enhance our investments and ensure prudent spending. For example, I successfully reduced our spending on Xfinity by over \$2,000 annually by eliminating rarely used cable TV services. As a result, for the first time in years, we will not raise our dues for 2025. Looking ahead, I would like to continue fulfilling my fiduciary responsibilities to our community. I am committed to listening to the community and making wise expenditures on the activities and amenities that matter most to us.
