Candidate Bio

Christian and I moved into West 86th in October of 2019. Soon the pandemic followed, so we still feel like we are meeting our neighbors. We have 4 married children with 7 grandchildren (and one on the way!) You can often see me at the playground with them when they are visiting.

I enjoy being active through running and Crossfit, two activities I just started in the last year. I ran the Mini marathon for the first time last May and now I am hooked.

When I started serving on the board it was announced that they didn't have a secretary, and I volunteered to help out. I have served as secretary on PTO boards through the years my children were in school. I have also served as PTO president one year and helped to organize many fundraisers and activities throughout the years. At my job I organize the events and work to build a good culture at the company. In the last 2 years it has been a pleasure serving on the board. This past year I have been the Activities Chair and would like to continue in that capacity. I have some ideas for some smaller group activities that I think would be fun to get neighbors with like interests together.

If you see me at the playground or walking the neighborhood feel free to introduce yourself! I love meeting new people.
