(Optional)**

Job Title

Vice President, Advanced Intelligence

Company

Eli Lilly and Company

Candidate Bio

I have proudly called West 86th home for the past 28 years, while building my career at Eli Lilly in Indianapolis for 33 years. Over these decades, I've seen firsthand the positive impact of our HOA's dedicated management. Although I always wanted to get involved, it wasn't until four years ago that I was able to join the Board and give back to our community.

During my first two years, I served as Development Director, working closely with neighbors to ensure that all improvements respected our covenants and bylaws. For the past two years, I've taken on the role of Treasurer, focusing on strengthening our investments and maintaining responsible spending. Thanks to these efforts, we were able to avoid a fee increase in 2025 and limit the 2026 increase to just 3%.

I have also managed our neighborhood's security systems, including cameras and clubhouse entry codes, to help maintain a safe environment for all residents. By working closely with local law enforcement, we've been able to address incidents of theft effectively. For example, last year we successfully identified vehicles involved in mail theft by thoroughly reviewing and cross-referencing footage from our security cameras.

Looking ahead, I am eager to continue serving our community, upholding my fiduciary and safety responsibilities, and making thoughtful decisions about the activities and amenities that matter most to us. I am committed to listening to residents and ensuring our neighborhood remains a wonderful place to live.

Years in the Community	28
Years Willing to Commit	5
