Candidate Bio

Recently retired after 25 years as an Attending Neonatologist at Riley Hospital for Children, I bring a lifelong dedication to care, collaboration, and community well-being. My medical career has been defined by listening, problem-solving, and building bridges across diverse groups—skills that translate directly into strong, compassionate HOA leadership.

Having lived in West 86th for nearly two decades, I care deeply about preserving our neighborhood's warmth, safety, and connection. I'm especially passionate about engaging our senior community—ensuring their voices are heard and that activities, communication, and access are inclusive for all.

Beyond medicine, I enjoy golf, tennis, table tennis, and following international soccer. Fluent in English and French, I value cultural diversity and believe it strengthens our neighborhood's fabric.

As a Board member, I will bring calm, thoughtful decision-making, and a people-first perspective to every discussion. My goal is to enhance community engagement, improve communication, and help every resident feel at home in West 86th.

I'm eager to contribute my experience and care to strengthen our neighborhood's spirit, connection, and quality of life.
